(a) Mr H.A. Stuart J.C.S
was placed on special duty
at first for a year from 29th
march 1893 and this
period was subsequently
extended by six months.
During the above period,
however, he had to be sent
to act as Coll^r of North
arcot for about four months
and as District Judge, Bellary
for about a month. On
these two occasions he had
to attend to his special
work in addition to his
ordinary duties (. It was
for the latter reason that
the extension of six months
was sanctioned but it
seems unnecessary to refer
to it).

(b)

(b) The allotment at first made was Rs 39,000 and when the special duty period was extended it was increased by Rs 11,000, making a total of Rs 50,000. The expenditure up to 30th Nov: last was Rs 41,203 and this it has been reported included a portion of Mr Stuart's salary as Asst. Commr. of N. Arcot and as Asst. Dist. Judge of Bellary.

(c) Up to the present the Manuals for N. Arcot (vols I and II) S. Canara (vols I and II) and Coimbatore (vol II) have been printed and issued. The Statistical portion (vol II) relating to the remaining districts and vol I of Coimbatore, Kistna, Madras, Chingleput, Tinnevely and Trichinopoly have been to a great extent revised and portions of them are reported to be already in type.

(d) Mr Stuart has collected

collected a considerable amount of materials in connexion with the work and has offered to undertake the revision himself in addition to his ordinary duties. In connexion with this offer the Secy remarked in Jan: last remarked as follows:-
 "So long as Mr Stuart can do the work, it is a distinct advantage. He is now thoroughly acquainted with the lines the revision should follow; and the contents of the volume will be homogeneous"
