Read Official Memorandum from Government, Revenue Department,
No. 291, dated 28th November 1898.

RESOLUTION:---

Replying to the Official Memorandum read above,
the Board begs to report that the result of Mr. Willock's enquiries
made at home into the cost of a suitable steam launch for the En-
nore factories was that one could not be obtained for less than Rs.
8000 or Rs. 10,000, and that it was useless to have one built at ~~the~~
the Kidderpore docks. The Board has on ^{re-}consideration come to the
conclusion that there will be no difficulty in working the five
factories under one Inspector without a steam launch, now that ~~there~~
there is practically no local storage, and has submitted proposals
accordingly in its Proceedings No. 360, dated 28th November 1898, upon
which orders are awaited.
