Copy of Proceedings of the Board of Revenue, Revenue
Settlement, Land Records and Agriculture No. 930 Mis., dated
13th February 1899:-

Read the following letter from J.N. Atkinson Esq.,
I.C.S., Superintendent of Stationery, Madras, No. 581, dated
31st January 1899:-

I have the honour to forward herewith specimens
of Cattle Mortality forms A & B indented for by the
Collector of South Canara, and to request that you will be
good enough to state whether these forms are supplied to him
by the Superintendent, Government Press, under the orders of
the Board. I request also that I may be favoured with a set
of these Cattle Mortality forms in all vernaculars for the
guidance of this office.

RESOLUTION

Indents for forms of Births and Deaths and Cattle
Mortality registers have hitherto been sent by Collectors
to the Board's office where a consolidated indent has been
prepared and sent to the Superintendent, Government Press,
for compliance. The form of the Cattle Mortality Register
has been slightly altered this year and revised proofs have
been slightly altered this year and revised proofs have been
called for from the Government Press. The Birth and Death
Register form has been recently modified in S.P. 447, dated
8th December 1898 and copies have been supplied to Collectors
for three years' use. Copies of monthly return to be submitted
to the Sanitary Commissioner have however not been supplied.
The Board thinks that the issue of these forms may be under-
taken by the Superintendent of Stationery and Collectors
will be requested to submit in future their annual indents
for forms of Registers of Births and Deaths including the
monthly return form to be submitted to the Sanitary Com-
missioner and Cattle Mortality direct to the Superintendent
of Stationery. When the revised proofs called for here from
the Superintendent, Government Press, are received, they will
be sent to the Superintendent of Stationery together with the
indents received from Collectors this year.
