READ—

The following letter from the Acting Collector of Chingleput, dated 14th February 1899, Ref. on No. 1/camp of 99:—

I have the honour to report that the clerical work in my office <sup>has</sup> grown to be so heavy that I am compelled to ask you to move the Government to sanction the employment of <sup>extra</sup> 2 clerks, one on Rs. 45 and the other on Rs. 25 per mensem.

2. In November last I took over from the District Medical and Sanitary Officer the duties described in clauses VIII, IX and X of Regulations 17 of the Original Mufussal Regulations, thus giving my ~~old~~ office a considerable addition to its work which has lately been increased by the application of the Passport Rules to passengers from all stations on the Bangalore ~~and~~ <sup>on the Madras</sup> Railway from Jalarpet to Sholingar as well as from some stations on the South Indian Railway. The result is that nearly half of my daily tappal relates to the plague preventive measures; a good deal of it must be dealt with very rapidly and the clerks in consequence are worked exceedingly hard while <sup>at</sup> the same time their ordinary work suffers.

3. I intended to apply for an addition to the strength of my office some time ago but did not do so as there was some likelihood of the pressure of work being short-lived. That however has disappeared and the work will almost certainly become heavier still.

Under these circumstances I venture to ask you to address the Government.

Ref. on C. No. 2114 dated 20th February 1899.

Forwarded to the Secretary to Government, Revenue Department, through the Board of Revenue with the recommendation that the Collector's application may be sanctioned.

2. The Collector is requested to forward a proposition statement direct to the Board of Revenue.

March 1899) ~

Under Secretary.

With the reference made  
above, the Board of Revenue  
submits for the sanction of  
Government a proposition state-  
ment for the establishment of  
two clerks in the Collector's office,  
Chingleput, for the disposal of  
work in connection with plague  
preventive measures.

2. The Board states that no  
provision has been made under

3 A Land Revenue in the Provincial  
Plague Budget for 1899-1900 on  
account of the proposed expenditure  
and that the necessary allotment  
may be sanctioned by re-appropri-  
ation of funds. The Accountant  
General, in forwarding the proposition  
statement, observes that a provision  
of Rs 33,300 has been made for  
1899-1900 under 3 A Land Revenue  
on account of plague charges.

X one on Rs 45.  
one on Rs 25.

G.O. 1246 Feb 7 17. 12. 98). Amb. H.

from the details given in the ~  
appendices to this order ~~and~~ it Pages 19 & 23. G & N

appears that no provision has been made for the Collegeport District. The extra expenditure can presumably be met from the additional grant recently made by the Financial Dept. (vide L.O. 351 Finl & 10.3.99)

3. Submitted that the establishment applied for may be sanctioned with the concurrence of the Lt Gen and Finl Rpts.
