MIS. No. 1094

RESOLUTION:-

In Government Order MIS. No. 169, Revenue, dated 18th August 1891, Government sanctioned the Board's proposal to transfer the subject of "Industries" from the Settlement to the Separate Revenue Department. In giving effect to the sanction, however, the miscellaneous statement embodied under the designation of "Large Industries" in the annual volume of Financial and Commercial Statistics, published by the Government of India, was alone transferred to the Separate Revenue Department, the Settlement Department continuing to deal with the five remaining returns which are annually submitted by the Board to the Director-General of Statistics, Calcutta, for use in the compilation of the volume aforesaid. The question having again come under consideration, the Board has agreed that it will be more convenient if all the six returns relating to "Industries" are dealt with in one

1. Cotton mills
2. Hemp mills
3. Woollen mills
4. Paper mills
5. Collieries.

The subject of "Large Industries" may be re-
 transferred to the Settlement Department which is now entrusted
 with the preparation of the other returns due to the Director-
 General. The formal sanction of Government to this re-distribu-
 tion of work between the Separate Revenue and Settlement Depart-
 ments is solicited. The return of "Large Industries" for the Ca-
 lendar year 1898 will, in anticipation of the sanction of Govern-
 ment, be prepared and submitted by the Settlement Department.
