Proceedings of the Board of Revenue

(Separate Revenue).

Dated 2nd March

1899.

No. 910

Read letter from J.N. Atkinson Esquire, I.C.S., Superintendent of Stationery, Madras, No. 1001, dated 18th February 1899, enquiring whether the cumby sent along with his letter may be taken as the standard for supply to the servants of the Salt Department.

Resolution.

In the letter read above, the Superintendent of Stationery enquires whether the sample cumby forwarded therewith, which is stated to have been manufactured in the District Jail, Bellary, and is priced at Rs. 1-4-0 may be taken as the standard for the supply of cumblies to the Salt, Abkari and Customs Department. The sample, which measures 6 feet X 4 feet, is coarse and unsuitable. The Board understands on inquiry that the Madras City Police force is supplied by the same Jail with cumblies of a better texture and of a slightly larger size (8 feet X 4 feet) at Rs. 1-13-3 each. The Superintendent is requested to supply this Department with cumblies of the latter kind.

2. A copy of these Proceedings will be submitted to Government for approval, and for sanction to the enhancement of the present rate of Rs. 1-4-0 fixed in Government Order No. 667, Revenue, dated 24th July 1893, to a rate "not exceeding Rs. 2". This latter rate was sanctioned in regard to the cost of

cumblies which are supplied to officers employed on the Javadi

Hills (Vide Government Order Wis. No. 1097, Revenue, dated 4th March 1898).
