To the Under Secretary

There is no monthly,
quarterly or half yearly re-
turn showing ^{exports} of the
grain by sea. The
annual volume of the sea
borne trade and navigation
of the Presidency, however,
shows for the whole year
the quantity and value of grain
exported from the various
ports of the Presidency

- (1) to ports within the
Presidency
- (2) to Indian ports in British
India but outside the
Presidency, and
- (3) to foreign ~~ports~~ countries.

A draft order request-
ing the Board to continue the
present return quarterly instead
of monthly is put up on the
docket of the current, in
case it should be considered
that the above annual vol-
is not enough.
