Mis. No. 755.

Read letter from J.N. Atkinson Esquire, I.C.S., Superintendent of Stamps, Madras, No. 10, dated 3rd January 1899, requesting the Board to take necessary action for the appointment of a Tinker and Carpenter on Rs. 15 per mensem with an assistant on Rs. 6.

Resolution.

The Superintendent of Stamps has brought to the notice of the Board that the services of a full time Tinker and Carpenter and of an assistant are required for opening and closing stamp cases, wiring and sealing with lead, cases for despatch and for the preparation of tin cases for sending parcels of stamps from the Stamp Office. It is reported that the work was formerly done by piece workers and that as that system was found to be very expensive it is now being performed by men who are paid monthly wages from the grant for office contingencies. The present practice being however ir-

irregular, the Superintendent requests that a tinker and carpenter on Rs.15 and an assistant on Rs.6 per mensem may be added to the permanent establishment of the Stamp Office. The Board supports the proposal and requests that the sanction of Government may be accorded for the permanent entertainment of the additional establishment with effect from the 1st March 1899.

2. The necessary proposition statement in duplicate and an application for an additional allotment of Rs.252 to meet the cost of ^{the} additional establishment during the next year are herewith forwarded for the sanction of Government.

To the Secretary to Government, Revenue Department, with a proposition statement in duplicate and application for additional allotment through the Accountant-General.
Copy to the Superintendent of Stamps.

From ^{the} Board of Revenue
(S.R.) No. 755 of 21.2.99 (C.
No. 1654)

To Secy.

The Board of Revenue recommends the entertainment for the office of the Supt. of Stamps of a tinker and carpenter on Rs 15 and an assistant tinker on Rs 6 a month and applies for an allotment of Rs 252 to meet the expenditure. The Accountant-General points out that it is too late to include the provision in the budget, but that without altering the total, the necessary provision might be made by reducing ^{by this amount} the estimate of charges for sending stamps to the districts. by this amount. May the Financial Department be asked whether it accepts the arrangement?
