In reference to your No. 4396 of 20th January 1899, I have the honour to report that I inspected the Forest Department house at Nandyal on the 12th February last, in company with Mr. Johnston.

2. Personally I think the building will last for several years, but I shall examine it again during the hot weather and report the result.

3. It is not advisable to occupy the building, at present, but I noticed during my inspection that it had not then been vacated.
