Proceedings of the Board of Revenue

(Separate Revenue).

Dated 9<sup>th</sup> March 1899.

Mis. No. 1004

Read letter from L.M. Tynch Esquire, I.C.S., Acting Collector of South Arcot, No. 11/Cust:Sup: of 99, dated 23rd February 1899, submitting, for transmission to Government, B. Srinivasa Aiyangar's Memorial.

Resolution.

The Memorial of B. Srinivasa Aiyangar, Sayer Superintendent of Madalapet, received with the letter read above, is submitted to Government.

2. The memorialist having attained the age of 55 years in September 1897, his retention in service was sanctioned first up to 31st March 1898 and then to 31st March 1899, and he was ordered to retire from 1st April 1899. The pay of the post held by him was proposed to be increased from Rs. 30 to Rs. 40 on the introduction of the Tariff Act VIII of 1894, and he drew the increased pay from 11th March to the end of May 1894, under the sanction of the Government of India communicated in Government Order No. 906, dated 2nd March 1894, to the entertainment of additional Customs staff on a temporary and tentative basis. But he was stopped drawing the increase in salary above referred to in June 1894, pending final orders on the re-organization of the Customs establishments. The increase was again allowed to him from the 6th October 1896 i.e. the date of receipt by the Government of India of the Secretary of State's despatch sanctioning the revised scale of Customs establishments.

3. In view of the fact that his retirement in April 1899 would not entitle him to a full pension on the increased pay, the memorialist requested the Board that he might be allowed to draw, as a special case, the increase of Rs. 10 for the period from June 1894 to 5th October 1896 or be declared eligible for a full pension calculated on the increased rate with effect from the date of introduction of the Tariff Act (11th March 1894); but the Board declined to recommend the concessions asked for.

4. The memorialist now requests that he may be retained in service for two and a half years longer in order that he may become entitled to a full pension on the increased rate of pay. The Collector states that he is physically fit for further service, but that he has not been very favourably impressed with his work and is not prepared to recommend his further retention in service. The Board sees no reason to alter its decision already passed in his case.

To

HIS EXCELLENCY

Sir Arthur Elibank Havelock G.C.M.G., G.C.I.E.,

Governor in Council

MADRAS.

The humble Memorial of B. SRINIVASALINGAM,  
Sayer Superintendent of Madalapet, in the  
South Arcot District.

MOST RESPECTFULLY SHEWETH

That Your Memorialist's services under Government extend over a period of 34 years.

2. That Your Memorialist was first entertained on the 3rd March 1865 as Assistant Superintendent, Teyagavalli Salt Division, in the District of South Arcot on a salary of Rs. 15 per mensem; he was promoted on the 8th January 1866 to the Head Clerkship, Merkanum Salt Division, in the same District on a salary of Rs. 20 per month; and he was again promoted on the 1st January 1873 by Mr. H. E. Sullivan to be Sayer Superintendent of Kottacuppam on a salary of Rs. 30 per month. He was again promoted on 14th May 1881 to be Sayer Superintendent of Morattandi-chavadi on a salary of Rs. 40 which post he held up to June 1882 and he was at last transferred on reduction of establishment to be Superintendent of Madalapet on a salary of Rs. 30 per mensem from 1st July 1882; which post he continues to hold, though the pay of the appointment was raised to Rs. 40 from 11th March 1894. During his long service of 34 years under Government, he has given entire satisfaction to the successive superiors under whom he served.

3. That in accordance with the South Arcot Collector's proposal to retire the Memorialist with effect from 1st April 1899, made with reference to the Proceedings of the Board of Revenue (Separate Revenue) No. 289 dated 12th September 1898 in connection with the retention or otherwise of Non-gazetted officers that have attained the age of 55, the Honorable Board of Revenue was pleased in its Proceedings No. 4467 Mis dated 11th November 1898 to approve and sanction the Collector's proposal abovementioned.

4. That the Memorialist having, through the Collector of South Arcot, memorialised the Honorable Board of Revenue, representing that he is still strong and hearty and physically fit to discharge his duties, sometime longer and soliciting his retention in service till he should become entitled to a full pension on Rs. 40 or the sanction of the increased salary with retrospective effect from the date of introduction of the New Tariff Act of 1894, the Honorable Board of Revenue was pleased to pass the

To the Secretary to Government, Revenue Department, with

following orders (Vide B. P. Mis No. 17 dated 3rd January 99 and Mis No. 59 dated 5th January 99.) "The petitioner will be informed that the Board sees no reason for re-considering its order, and he should be informed that the Board is not prepared to recommend the concession he asked for".

5. That Your Memorialist therefore, in Justice to himself, feels compelled to approach Your Excellency in Council with this Memorial, with the full hope that Your Excellency will be pleased to pass favourable orders thereon.

6. That the Memorialist is aged 56½ years; but nevertheless, the Memorialist most earnestly begs reference may be made to the following papers in which the energy and fitness with which he has been discharging his duties are testified to by the different superiors as detailed below:—

- i. Mr. A. E. Castle Stuart the Collector of South Arcot in his confidential report in the end of January 1897 to the Honorable Board of Revenue with reference to its Proceedings No. 486 dated 4th December 1896, calling for a report regarding the qualification, industry and physical energy of all Superintendents under him, has made recommendatory remarks on his (Memorialist's) behalf.
- ii. The same Collector in his endorsement No. <sup>113</sup> of 97 dated 9th April 1897 submitted the Memorialist's petition to the Honorable Board of Revenue (Ref. B. P. Mis No. 1895 dated 8th May 97) with the remarks that he (Memorialist) is physically and mentally fit.
- iii. Mr. L. M. Wynch, the present Acting Collector of South Arcot, has in his Proceedings Ref on No. <sup>624</sup> of 97 dated 20th November 1897 been pleased to permit the Memorialist to remain in service until 31st March 1899 implying that the Memorialist is still strong and hearty.
- iv. Mr. J. R. Coombes, the late Sayer charge Deputy Collector of South Arcot, immediately after his transfer from the District has been pleased to furnish the Memorialist with a testimonial stating therein that he considers that the Memorialist has a few more years' work in him, and that it will be a loss to the Department if he is retired.
- v. M. R. Ry. H. Subbaraya Iyer Avergal Dewan Bahadur, the present Deputy Collector in charge of Sayer Department of South Arcot, was on receipt of Board's Proceedings No. 239 dated 12th September 1898 pleased to express in a note his opinion that the Memorialist is still strong enough to work another year.

7. In spite of the opinions expressed by the superiors abovementioned, regarding the energy and physical fitness of the Memorialist to discharge the duties of his appointment, the Gracious Collector, while recommending the retension for another year of the Customs Clerk of Pondicherry Railway sayer, who is now over 63 years of age, did not think to bestow the same favour upon the Memorialist who is only 56½ years old. This the Memorialist attributes to his misfortune, and nothing else.

8. Under Article 503 of Civil Service Regulations it is laid down that the powers of enforcing the retirement of an officer in superior service, who has attained the age of 55 should be exercised with careful consideration, both for the individual who would suffer by being deprived of his appointment while capable of discharging his duties and for the State on which a needless charge would be imposed by throwing an efficient and capable officer on the pensionlist. As above remarked by his superiors the Memorialist is still physically and mentally fit to discharge his duties for some more years.

9. That consequent upon the abolition of Import duties on all goods except Arms, Liquor, Opium and Salt by the introduction of the Tariff Act XI of 1882, the collection and work in Sea Ports and Land Customs stations materially decreased, and in proportion to this decrease a reduction in the establishment and in the salaries of officers also took place. In consequence of this change, the Sayer Superintendship of Madalapet had its salary reduced from Rs. 60 to Rs. 30 and the salary of the Customs Clerk of Pondicherry Railway sayer from Rs. 100 to Rs. 70. This reduction in the salaries and establishment was given effect to from 1st July 1882 i. e. 3 months and 20 days after the aforesaid Act (XI of 1882) was brought into force Vide Board's Proceedings No. 1642 dated 28th June 1882, embodying G. O. No. 637 dated 19th June 1882.

10. The new Tariff Act VIII of 1894 came into force on 11th March 1894 and with this act Import duties on all goods were resumed thereby increasing the collections and work. Consequently a proportionate addition to the establishment and increase in salaries of certain offices were proposed. In these proposals, the salary of the Customs clerkship of Pondicherry Railway sayer was raised from Rs. 70 to Rs. 100 (which was the pay of the post prior to the introduction of Act XI of 1882) and that of Sayer Superintendship of Madalapet from Rs. 30 to Rs. 40 only instead of Rs. 60 which the post carried prior to the introduction of Act XI of 1882.

11. As ordered by the Honorable Board of Revenue (Separate Revenue) in its Proceedings No. 2397 dated 31st May 1894 on G. O. No. 1926 dated 17th May 1894, sanctioning as a purely temporary measure the proposals of the increased charges in the customs establishment rendered necessary by the new Tariff act, the Land and Sea Customs Superintendents were directed in South Arcot Collector's circular No. 16 dated 6th June 1894 to submit supplemental pay bills for the increased salaries of the old officers from the 11th March to the end of May 1894 and to include this increase of pay in their salary bills for the future. Accordingly the Memorialist drew the sanctioned increase of Rs. 10 per month from 11th March up to the end of May 1894.

12. Subsequently the Collector of South Arcot issued his circular No. <sup>247</sup> dated 28th June 1894 informing that the extra salaries proposed to the old hands will be held in abeyance until final orders are received on the subject. The increase of pay to the Memorialist was therefore withheld from June 1894.

13. Consolidated proposals for additional establishment and increase of salaries to the Sea and Land Customs Officials were submitted in August 1894 Vide Board's Proceedings No. 324 dated 22nd August 1894, and were approved of by Government in G. O. No. 4455A dated 16th November 1894 which is embodied in Board's

Proceedings No. 518 dated 1st December 1894. These additional establishments (Clerks &c) and the officers of Madras Customs House whose salaries were increased by the above orders, were permitted to draw their respective salaries continuously from 11th March 1894 the date on which the new Tariff act came into force.

14. After the order of Government in G. O. No. 4455A dated 16th November was passed by the Financial Department (Vide G. O. Financial No. 1 dated 6th January 1896 communicated in Board's Proceedings No. 38 dated 27th January 1896) the Memorialist submitted to the Collector of South Arcot a supplemental pay bill for the increased rate of pay sanctioned but the same was returned by the Collector in the beginning of April 1896 with the endorsement that the Memorialist should refer the matter of drawing increased pay to the Salt Department for orders. Before the Memorialist intended to address the superiors of the Salt Department regarding the same, the Collector of Godavari requested instructions of the Honorable Board as to the date from which the officers can draw the increased pay sanctioned by Government and the Honorable Board of Revenue was pleased to order thereon in its Proceedings No. 118 dated 19th March 1896 that the sanction of the Secretary of State to the revised scheme of the Customs establishment should be awaited. The Memorialist therefore waited for the Secretary of State's sanction.

15. The sanction of the Secretary of State was communicated in Board's Proceedings No. 486 dated 4th December 1896 (embodying G. O. No. 724 Financial dated 30th October 1896) whereupon the Memorialist petitioned on 2nd April 1897 to the Honorable Board of Revenue through the proper channel for permission to draw the increased pay continuously from the date of the Tariff act. His prayer was strongly supported by Mr. J. R. Coombes the then Deputy Collector in charge of Land Customs and submitted to the Honorable Board of Revenue with the favourable endorsement of the Collector Mr. A. E. Castle Stuart Stuart (endorsement No. <sup>113</sup> accpet of 27 dated 9th April 1897). Thereupon the Honorable Board of Revenue in its Proceedings Mis No. 1895 dated 8th May 1897 was pleased to allow the Memorialist to draw the increased pay sanctioned with effect from 1st April 1897.

16. Again the Memorialist submitted a second Memorial on 28th June 1897 to the Honorable Board of Revenue soliciting sanction (1) to draw the increased rate of pay from 11th March 1894. (2) Or if this be impossible to declare that he should nominally draw it to enhance his pension when he retires, and to allow him to draw the increased rate of pay from October 1896 as in the case of the Customs Clerk Pondicherry Railway sayar. Having been favoured with the recommendatory letter (No. <sup>188</sup> acc. of 97 dated 28th July 1897) of the same Collector the Memorialist was permitted by the Honorable Board of Revenue in its Proceedings No. 3410 Mis dated 9th August 1897 to draw the increased pay from 6th October 1896. Accordingly the Memorialist drew his pay at the increased rates from 1st April 1897 according to the 1st order and from October 1896 according to the second.

17. The Memorialist submitted a third Memorial on 26th November 1898 to the Honorable Board of Revenue praying that sanction may be obtained for him as a special case, to draw the differential salary of Rs. 10 from June 1894 to October 1896 or if this small amount cannot be granted, he may at least be declared eligible for a full pension calculated upon the salaries of Rs. 40 with retrospective effect from

11th March 1894. This Memorial having not been supported with a favourable endorsement from the Collector, the Honorable Board of Revenue was pleased to inform the Memorialist that it is not prepared to recommend the concession he applied for.

18. The Madalapet Sayer Station, of which the Memorialist is the Superintendent, is the most important of all the Land Customs Stations in the Pondicherry frontier. Traffic registered in the Station and the consequent work involved is enormous. This station is situated on the high road between Pondicherry and Cuddalore, and resorted to by all European and Native gentlemen, both English and French. From the comparative statement of collections (Statement showing the collections of Pondicherry, Madalapet and Kandamangalam stations during the two official years immediately prior to Act XI of 1882 and during the five years following the introduction of Act VIII of 1894) enclosed, it will be clear that this station stands next to Pondicherry Railway sayar, and is far superior to Kandamangalam. Though Madalapet is second in point of collection, still the supervision and work entailed on the Sayer staff of Madalapet is equal, if not greater than that of Pondicherry.

19. That the Memorialist has during his long service, always discharged his duties with untiring zeal and efficiency and won the confidence of one and all his superiors. Since the supervision of Land Customs came under the direct control of the Collector the humble Memorialist has invariably succeeded in rendering satisfaction to the Deputy Collectors in charge of Land Customs. M. R. R. Y. H. Subbaraya Iyer Avergal Dewan Bahadur the present Deputy Collector, has, on many occasions of his surprise visits, inspected the Madalapet sayar station and has found the Memorialist to do his duties with great care and caution. Mr. J. R. Coombes the late Deputy Collector also inspected this station on several occasions, and made satisfactory reports, and when the Memorialist petitioned for an increase of pay on 2nd April 1897 he (Mr. J. R. Coombes) submitted the same to the Collector Mr. A. E. Castle Stuart Stuart L. C. S. with a strong recommendatory note expressing in laudable terms, that the Memorialist is one of the most efficient sayar officials. Further, Mr. J. R. Coombes in his testimonial furnished to the Memorialist has remarked "that he is hard-working, careful, honest, and knows thoroughly the working of the Sayer Department "with which he has been connected for over 25 years". Further the Memorialist furnished useful and material information to Mr. J. R. Coombes while he was engaged in compiling the South Arcot Sayer Manual. The Memorialist's keen observation brought to light an attempted smuggling (in July 1897) of a Jewel worth Rs. 1200 by an individual who, by his rich costume, tried to pass for a gentleman, and thus evade a close search for the article which he carried on his person in a very clandestine manner. This case ended in confiscation and gain to Government. Further, among several other cases, the Memorialist in September 95, detected, with great skill, certain silk and cotton cloths, worth Rs. 130, attempted to be passed by a merchant, without paying duty, under cover of a French (Pondicherry to Karikal) Passe debout improperly obtained in the name of a French official, and got the articles confiscated.

20. In the Despatch from Her Majesty's Secretary of State, an annual additional expenditure required for the revised scheme of establishment in Madras was sanctioned in lump, and the scale of salaries to be distributed to the several officials was entirely left to the option of the Government. Thus after the receipt of the

above despatch, the salary of Customs Clerk Pondicherry Railway Sayer was further raised by Government from Rs. 100 to Rs. 150 under the Board's recommendation vide Board's Proceedings No. 283 dated 10th July 1897. (coming G.O. 3410 of 6.7.97)

21. Under the circumstances described above, Your Excellency's humble Memorialist prays that in consideration of his long, faithful, and stainless service of 34 years under Government, and with due regard to the fact that the Memorialist is still strong and hearty and quite fit to discharge his duties for some more years and that by being compelled to retire on 1st April 1899 his emoluments viz Rs. 40 which he has been drawing from October 1896 will fetch him a small pension of Rs. 17-8-0 only, Your Excellency may be graciously pleased to order the retention of the Memorialist for  $2\frac{1}{2}$  years more or until he attains 59 years of age when he will become entitled to a full pension on Rs. 40.

22. The Memorialist's physical fitness and his ability as an official are both acknowledged. By granting this prayer, therefore, the Government will be saved a needlessly premature pensionary charge, and the hardship caused to the Memorialist by the peculiar circumstances of the case will be removed. The Government may further, if they deem such a course necessary, cause the Memorialist to be examined by a Medical Officer to ascertain his physical fitness for further service.

For which act of grace and benevolence the Memorialist will as in duty bound  
EVER PRAY.

MADALAPET,  
16 February 1899.

## APPENDIX.

### A.

#### TESTIMONIAL

B. Srinivasa Iyengar, Sayer Superintendant of Madalapet, has been well known to me during the time I was in charge of the Land Customs in the South Arcot District, from Jan. 96 to Nov. 97. He is shortly to retire but I consider that he has a few more years' work in him and that at present it will be loss to the Department if he is retired.

He is hardworking, careful, honest, and knows thoroughly the working of the Sayer Department with which he has been connected for over 25 years.

He belongs to the old school and his knowledge of English is limited, but for all this he is an invaluable officer at his work.

Deputy Collector.
