Proceedings of the Board of Revenue
(Land Revenue).

No. 887 Misc., Decd 13th March 1899

Read letter from J.C.D. Partridge Esq., Asst. Collector of Madras to the Secretary to the Commissioner of Land Revenue, Madras, No. 565-Pay, G.O. of '99, dt. 25th February 1899.

Resolution

In his letter above the Collector of Madras requests sanction for the maintenance of two shroffs on Rs. 15/- each during the hot months, March to August. The collections during these months are estimated by him at Rs. 16,000 a day. The Collector states that of the three shroffs in his office one is engaged in ordinary payments and issue of stamps and another in writing khata shroff's entries, preparing receipts &c, and that only one is available for weighing and testing coins. The number of coins that can be examined in a day by the shroffs is stated to be about Rs. 5000, which is the daily average receipt during the ordinary months. A large number of light coins have, it appears, been found in the receipts of the treasury and the Collector points out the difficulty experienced in weighing each coin before it is accepted. He therefore considers it necessary to engage two additional shroffs for the treasury.

2. The Board considers that as the daily receipts in the hot months amount on an average to only Rs. 16,000 and as there are already three shroffs in the treasury, the maintenance of an additional shroff will be sufficient for the present. A revised proposition statement is accordingly submitted for sanction.

3. The cost can be met from the reserve of Rs. 1561 against Item 26 of Appendix E to G.O. No. 1180 Financial, dated 6th December 1898.
4. The Collector will be authorized to entertain a draft in anticipation of the sanction of Government.

/The Director/

Lancel Davidson
As Secretary.

To the Secretary to Government, Revenue Department, through the Accountant-General (with a view to proposition statement).
