The following letter from C. A. Barber
Esq., Government Botanist, Madras
No. 35 dated 1st March 1899:-

Referring to GO. No. 102, Madras,
Revenue Department, dated 8th February
1899, I have the honor to point
out that certain books belonging
to the Botanical library were
passed over to the Botanical
Gardens, Botacamund, when
that library was distributed.
I note that the books deposited
in the central museum are
to be returned to the Government
Botanist, and would suggest
that

that the same should apply
to the books in Mr Prondlock's
charge. At the present moment
there is no copy of Hooker's Flora
Indica allotted to the Government
Botanist. Two will be required
for the work in hand, one at
head office and one at tower.
One of them could be obtained
from Mr Prondlock to whom
Mr Lawson's copy was entrusted.
I have already applied (2 months ago)
to the Secretary to Government Revenue
Department for a special copy
to be used on tour. It would rather
seriously handicap the work if
these books are not soon placed
at the disposal of the Government
Botanist. At present I have no
copy and am using that belonging
to the Central Museum.

Resolution

Submitted for the order of
Government.
