READ—letter from C.J. Weir Esq., Collector of the Nil-
giris, dated 3rd March 1899, R.C. No. 1420 of 1898, to
the secretary to the Commissioners of Land Revenue, Madras.
Also letter from the same officer, dated 3rd March 1899,
R.C. No. 1420 of 1898.

Reference ¹⁸No. 25 dated 20th March 1899 189

In his letters read above, the Collector of
the Nilgiris submits proposals for the grant of compensa-
tion for certain private lands taken up for the new Havelock
road, Ootacamund, presumably under the Land Acquisition
Act.

2. The letter first read above relates to 14 cents
of land taken from the property belonging to Mr. Winterton,
Solicitor, Ootacamund. As land in the locality is very
valuable, the Collector recommends that in lieu of money
compensation 34½ cents of land consisting of 5 cents in
Field No. 257A-1 and 29½ cents in field No. C. 362A may be
granted to Mr. Winterton, in exchange. As regards the 5
cents in field No. C. 257A-1 he says there is no objection
to the grant as the land forms part of an old road now
abandoned. The 29½ cents in C. 362A form part of Church Hill
garden of which Government has decided not to alienate any
portion for the present, Vide Government Order No. 3419
mis, Revenue dated 22nd October 1897. But the Collector
considers that an exemption may be made in the present case
as Mr. Winterton wants the land for the protection of a
well which is situated at an extreme corner of his property
and

and Church Park is not likely to suffer by the grant. The value of the land taken up is estimated at Rs. 490 and that of the lands which it is proposed to grant in Exchange at Rs. 545.

3. The second letter read above relates to 5 cents of land in the same neighbourhood taken up from Dr. Browning's property. The Collector recommends the grant in Exchange of 7 cents of land out of a portion of the abandoned road. In this case the land taken up and that which it is proposed to grant in exchange are reported to be of the same value, viz, Rs. 175.

4. The Board submits the Collector's proposals for the approval of Government.

To
Under Secretary

With the reference read
above, the Board of Revenue
submits proposals of the Collector
of the Nilgiris for the grant of
lands in exchange for certain private
lands taken up for the New Kandla
Road, Ootacamund.

"Presumably under
the L. A. Act." The
presumption is implied.
Para 2 of the instrument.

2. In the first para, for 14 perches
of land belonging to Mr. Winkerton,
Solikor, Ootacamund, the Collector
proposes to grant 5 perches of land
forming part of an old road now
abandoned and 29 1/2 perches forming
part of Church Hill garden. The
value of the land taken up is
estimated at Rs 490 while that
of the lands which it is proposed
to grant in exchange ~~are~~ at Rs 365.
In 1897, it was decided not to
alienate ^{then} the government land
in the Church Hill Garden firstly
because it was doubtful whether
the land should be allowed to be used
for building purposes and secondly

because it would be better to wait,
 should it be sold, until the
 demand for building sites had
 become greater. vide remarks flagged
 by in G.O. 5419 of 22. 10. 97. The
 Collector, however, ^{now} considers that
 an exception may be made in
 the present case as Mr. Winterlow
 wants the land for the protection
 of a well which is situated at an
 extreme corner of his property and
 although park is not likely to suffer
 by the grant.

orders are solicited as to whether
 the Collector's proposal, ^{which is supported by the Board of Rev.} may be
 approved.

3. In the second case, the Collector
 recommends the grant of 7 perches
 of land out of a portion of the
 abandoned road in exchange for
 5 perches of land taken up from
 Mr. Brownings property. The ~~whole~~
 land taken up and that proposed
 to be granted are reported to be
 of the same value. ^{which is supported by the Board of Rev.}
 4. In the telephonic message
 below it is reported that the Collector
 of the Nilgiris asks for orders by
