Proceedings of the Board of Revenue (Land Revenue).

No. 5576 Misc. Dated 15th December 1898

Read Government Order, Revenue Department, Misc. No. 1858 dated 28th April 1898; and reference thereon No. 558, dated 18th May 1898.

Read also letter from J. K. Batten Esq., Ag. Collector of North Arcot, Dis. No. 2604-Var., dated 30th October 1898.

Resolution

In para 2 of its Order No. 1858 Misc. dated 28th April 1898, Government remarked that the question of ~~xxx~~ raising the pay of the village officers on the Javadi Hills, Polur Taluk, North Arcot District, on account of the extra work thrown on them in connection with the harvesting of the Ganja crop, should be considered in the Land Revenue Department of the Board.

2. The Collector's report on the subject last read - above shows that the extra work, referred to extends almost throughout the year and not merely during the harvest season, for the village officers will be obliged to exercise special vigilance for the prevention and detection of illicit possession and ~~transport~~ ^{transport} after the removal of the produce to the store-house. Mr. Batten accordingly recommends that all the village officers (except the

dur and Tatankuppem, in which three-fourths of the cultivation occur.

The total cost of these proposals is Rs.588 per annum.

3. The extent of hemp cultivation during 1897-98 was 125 acres and the quantity of Ganja manufactured therefrom 741 maunds. The excise duty being Rs.160 per maund, the average revenue per acre may be roughly estimated at Rs.960 (6 maunds x 160 Rs.).

4. The Board considers that the permanent village officers and servants in question may be allowed extra pay throughout the year as suggested by the Collector but sees no reason why the scale of increase should not be reduced to Rs.2 in the case of each munsif and Re.1 in the case of each vetti and talvari of the three northern groups, from which there is considerable risk of the produce being carried down surreptitiously for disposal among the merchants of the Vellore Taluk, and

year. The increased expenditure which is advocated is shown in the marginal statement, which as will be seen includes the entertainment of three extra talayaris on Rs.4 -- each during the four kist months to assist the monigars in the Northern groups of Palambat, Tenan-

of three temporary menial servants on Rs.4 each for 4 months in the year in ^{the} three villages of the North in order to afford assistance to the monigars in the matter of collections. The Collector designates these extra servants as talayaris but they should properly be called vetuis.

5. The revised proposals, which entail an additional cost of Rs.336 per annum are submitted for the sanction of Government.
