Please see Despatch × No. dd 29th Dec'r 98. fr the Under Sec'y of State for India in Ex. 495K dd 15th Dec'r 1898. In the correspondence above, the Sec'y of State objects to supply the Planters' Associations copies of the publications gratuitously, on the ground that a compliance with this Govt's request "might form an inconvenient precedent" and, that "his intervention is unnecessary inasmuch as the publications can be obtained without difficulty from the ordinary trade channels". He however suggests that if this Government thinks it desirable to supply the publications to the Association, arrangements may be made to procure them direct.

Over min. No 1327 d/6th April 1899.

Write requisite to his letter of 19th Septr 1898, the Secretary to the United Planters' Association of Southern India will be informed that the Rt Honble the Secy of State for India has expressed his inability to accede to the request made on the behalf of the Association for the gratuitous supply of the marginally noted publications to the Association. The Association will therefore make its own arrangements for obtaining copies of them. If the Association desires to obtain the publications on payment, it is believed that this may be easily arranged thro' the ordinary Govt. Depts. trade channels
