To, The Secretary to the Commissioners
of Land Revenue
Madras

Sir,

With reference to Board's Reference B. No. 80 dated 13th March 1899, I have the honor to say that the amount of land required for the Railway is 77.11 acres. A considerable amount is poramboke and has already been handed over. The Tahsildar informs me that, at a very rough estimate, 50 acres will have to be taken up under the Act at a cost of about Rs 30,000, that there will be about 200 awards, and that it would take a special officer a month to get through the work.

2. I

2. I think it necessary that a Special Revenue officer should be appointed as "Collector" under the Act: Otherwise there will be delay, and the Head Assistant Collector's ordinary work will be seriously interfered with. If a Special Deputy Collector be appointed, his services will probably be afterwards required for acquisition of land for the Mayavaram-Mutupet Railway ~~station~~ extension.

3. The Tahsildar informs me that a portion of the schedule of lands will be ready in three or four days, and the rest by the first week in April. The work has, from the first, been regarded as urgent, but I find that the Tahsildar has been making an enquiry into the value of lands and houses, that was needlessly elaborate for the purposes of the preliminary

preliminary valuation statement, and Jamalundy also has to a certain extent interfered with the work.

I have the honor to be
Sir.

To

The SECRETARY TO GOVERNMENT,
Revenue DEPARTMENT,

MADRAS.

SIR,

In reply to your telegram dated 29th Instant, I have the honour to say— that, though it is of course possible for MR Ry Hanumanta Row avakal to attend to the land Acquisition work, he can only do so at the expense of his work as Divisional Officer, Pattuk-Kottai. That taluk has suffered a good deal lately from change of officers, and the fact that its change has

has been for considerable periods held by the Officer, who was doing the work of Personal Assistant, and it sadly wants undivided attention. The cost of a special Officer will be an almost infinite final additional charge to the Railway, and it seems scarcely worthwhile that the taluk administration should suffer to effect so small a saving for the Railway.

2. For these reasons I trust that a special officer will be appointed and for the post I suggest the name of Mr R Ry V. S. Sambasiva Iyer permanent

Tahsildar

Tahsildar of Mannarpudi on Rs 175, and now acting Tahsildar of Tirutturaipoondi on Rs 200. He is a graduate and has passed the Deputy Collector's Tests; and his Service is nearly 18 years.
