2. The estimated value of the lands to be acquired is quoted at a uniform rate of Rs. 120 per acre. But no money payment is necessary in these cases, as columns 17 to 21 of the Collector's statement show that fresh lands will be granted in exchange for the inam lands to be taken up in S. Nos. 279, 274B and 275 B and that the owner of the ryotwari land (S. No. 271 B) is willing to part with it without any compensation. Under section 31 (4) of Act I of 1894 the Collector is himself competent to sanction the proposed exchange of land in the cases of the artisan Inams which were unenfranchised. The Board requests the sanction of Government under section 31 (3) of Act I of 1894 for the Collector's proposal to grant 58 cents of Government waste land in the village of Guntakal in exchange for 1.67 acres of Temple inam land to be acquired in S. No. 274 B. The two plots bear the same assessment (annas 14) and are of equal value.

3. The Board approves of the Collector's proposal (1) to restore to the former owner 17 cents of land in S. No. 286 in respect of which no compensation was paid, and (2) to sell portion of S. Nos. 282 and 283 to the owners of the adjoining land on the condition of their paying ryotwari assessment; but the present market value should be recovered in the last two cases with reference to the Government of India Resolution

appended to para. 19 of Standing Order No. 11.

4. With regard to the money compensation of Rs. 75 paid for 3.74 acres of barber service inam land taken up in 1895, the Collector's attention will be drawn to para. 2 of his letter to the Board No. 2457, dated 28th August 1895, disposed of in Board's Proceedings No. 4453 Mis., dated 5th September 1895, from which it was understood that the inamdar would be compensated by the grant of land in exchange. He is requested to report why this was not done.

5. The Board begs leave to enquire whether the Southern Mahratta Railway Company should be debited with the compensation due for the lands to be taken up as well as the capitalized value of assessment lost to Government, as on the last occasion the cost of acquisition was met from the provision made in the Military Budget. Vide page 2 of G.O. No. 874, Public, dated 19th October 1895, communicated with G.O. No. 4631 Rev., Misc., dated 18th November 1895.
