GOVERNMENT OF INDIA

STATISTICAL BUREAU

(Rail-borne and River-borne Trade.)

To
THE *Secretary to the Government of Madras*
Revenue Department

Calcutta, the 22nd March 1899.

SIR,

THE Government of North-Western Provinces and Oudh has suggested that the accounts of the trade by rail and river should distinguish unrefined sugar from *gur*, *râb*, jaggery, molasses, etc. The suggestion has been approved by the Government of India, and I have the honour to request that the head Sugar may, with effect from the 1st April 1899, be subdivided as follows:—

- (1) Refined or crystalized, including sugarcandy.
- (2) Unrefined—
 - (a) Sugar.
 - (b) *Gur*, *râb*, jaggery, molasses and other crude saccharine produce.

2. Consequent on this change the alteration noted below will be necessary in Appendix D referred to in paragraph 9 of the Resolution of the Government of India (Department of Revenue and Agriculture), No. 37—35-21, Statistics, dated the 23rd March 1888:—

For	Read
Sugar—	Sugar—
(1) Refined or crystalized, including sugarcandy.	(1) Refined or crystalized, including sugarcandy.
(2) Unrefined, namely, molasses and jaggery or <i>gur</i> and other saccharine produce.	(2) Unrefined— (a) Sugar. (b) <i>Gur</i>, <i>râb</i>, jaggery, molasses, and other crude saccharine produce.

3. The rate of deduction from gross weight to arrive at net weight in the record for sugar unrefined may be the same as for sugar refined, namely, 1 per cent, and that for *gur*, *râb*, jaggery and molasses 1.5 per cent.

4. The necessary value rates should be ascertained and stated regularly for each of the two sub-heads.

I have the honour to be,

SIR,

Your most obedient Servant,

J. A. Robinson
Offg. Director-General of Statistics.
