If in view of the rules subjoined Special qualifications it is thought worthwhile to employ him for Laccadive for 2 years in his case may be asked for as being probably the longest period there seems no need to make any further reference on the subject

But it will be open to us to terminate it sooner if he proves a failure India is likely to sanction

Sir,

In reply to his Excellency's letter No 65-7 dated 18th March 1899, I am directed to state that the reemployment of Mr. T. K. Krishnan, Asst. retired Subjudge, as Special Dy Collector for the Registration of Jammam titles in the Malabar District is sought for in consideration of his particular qualifications in the work.

It is at present not possible to frame any definite estimate of the period likely to elapse before the registration of Jammam titles in Malabar is completed

In view of the objection pointed out in the letter under reply to granting sanction to such unemployment for an indefinite period Dayal now directed to ask the unemployment may for the present be sanctioned ~~is likely to last~~ for a period of two years only ~~and to request~~ ~~Sanction for the unemployment for that period~~
