2. The number of title deeds prepared in the Ponnani taluk during the month under report was 81 against 73 in the previous month. No progress was made in the remaining taluks except Ernad where 23 deeds were prepared during the month. The total number of title deeds still to be prepared in the several taluks is large being 1836 under the old settlement and 2923 under the new scheme. The Collector is requested to expedite the report called for in Board's Reference A No.26 dated 24th February 1899 regarding the feasibility of adopting measures to compel the early production of the necessary stamp papers in the undisposed of cases.

3. The Collector ^{states} that he has requested the Special Assistant Collector to explain the delay in settling the pending cases in the Walavanad taluk. The explanation called ^{for} should be submitted, when received, for the information of the Board.
