My dear Sir,

In Notification No. 72 published on page 197 of Part I of the Fort Saint George Gazette, dated 21st ultimo, Battie was appointed to act as District Forest Officer, Kurnool, during the absence of A. W. Lushington on furlough. Battie, however, has since sent in an application for 8 months' furlough from the 20th proximo on account of his wife's illness, and pending the orders of Government on his application which will be submitted separately, he has been permitted to remain in South Canara. The Forest Member now proposes that O'Leary, Assistant Conservator of Forests, Kurnool, should be posted to act as District Forest Officer of the district. O'Leary was formerly District Forest Officer, Ganjam, but was transferred to Kurnool to work under the orders of the District Forest Officer, subject to a report at the end of six months (vide G.O. Mis. No. 3708 Rev. dated 13 September 1898). This report has just been received and shows that there has been a satisfactory improvement

improvement in his work. The Forest Member therefore considers that he may be tried in the acting charge to which it is now proposed to post him. In this opinion the Conservator concurs. Further proposals in regard to the officering of Kurnool will be made when orders are passed with regard to Alwar Chetti's deputation to Cochin. In the meantime, O'Leary is already on the spot ready to take Cushington's place, and may conveniently be posted as District Forest Officer, Kurnool, as a temporary measure.

A draft minute of posting is enclosed for His Excellency's approval.

Yours sincerely

Lionel Davidson
