Read—the following paper :—

Reference of the Board of Revenue (Land Revenue), No. 64, dated 20th January 1899.

Read—Endorsement of the Acting Collector of South Arcot, dated 8th January 1899, No. 46-Eng., on letter from the Superintending Engineer, V Circle, No. 2 M., dated 21st December 1898.

Reference—No. 64, dated 20th January 1899.

With his letter read above, the Collector of South Arcot submits for sanction plans and estimate for Rs. 2,510 for effecting certain improvements to the small bungalow attached to the building known as "Government House" at Cuddalore. From the Superintending Engineer's report accompanying the estimate, it will be observed that the verandah rafters of the building in question have sagged and that the Bengal terrace roof over them is very leaky.

2. In these circumstances, the Board recommends that the necessary sanction may be accorded for the execution of the work at an early date.

(Signed) LIONEL DAVIDSON,
Acting Secretary.

Endt., Mis. No. 596, Revenue.

Approved and transferred to the Public Works Department.

(By order.)

FORT ST. GEORGE,
9th February 1899.

(Signed) N. E. MARJORIBANKS,
Ag. Under Secretary to Government.

ORDER—No. 908 W., dated 24th March 1899.

The estimate, amounting to Rs. 2,510, received with the papers read above, provides for the following :—

	RS.
(a) Improvements to the small bungalow attached to the building known as "Government House" in the Collector's office at Cuddalore	2,270
(b) Ordinary repairs to the main building	240
Total	2,510

2. Separate estimates should be framed for the above item (a) being chargeable to Original Works and (b) to Repairs; and, if this is done, the amount in each case will be within the Superintending Engineer's power of sanction. The estimate of Rs. 2,510 is therefore returned to the Superintending Engineer for disposal.
