Buitenzorg. Java

Dated 23-4-98

Sir

I am directed by His Excellency the Governor in Council of Fort St George to commend to your good offices the bearer of this letter

I am told that Mr. Standen asked for was a letter of introduction to the British Consul - I should fear that the Govt. of Netherlands India will be disposed to regard Mr. S. in some jealousy as "a chiel amang them takin' notes" -
We are rivals in trade -
Can we take it for granted that our enquiries will be welcomed & facilitated?

I feel very doubtful as to the expediency of sending this letter -
Would it not be better to give Mr. S. the letter, to deliver if our Consul advises it?

Secy Submitted that Mr Standen may be cautioned to do this duty; he will of course be able to explain that we do not trade in quinine but manufacture it only to supply public institutions and the poor classes in his own neighbourhood for whom the chemist does not cater

Add sentence to letter to Chief Secy Netherlands India

I am to add that the Cinchona plantations & Quinine factory of which Mr Standen is in charge are maintained by this Govt not for commercial purposes nor as a means of revenue but in order to secure a supply of good Quinine for the use of the British troops serving in India & for the public charitable dispensaries & hospitals established thro' the ~~country~~ Presy
