Proceedings of the Board of Revenue (Separate Revenue), Mis. No. 260, dated 21st January 1899.

Read—letter from the Acting Deputy Commissioner, Southern Division, dated 3rd January 1899, No. 5.

ABSTRACT.—Stating that a certain building in the Tellicherry fort lately vacated by the Postal Department might be transferred to this department to serve as quarters for the Inspector, Tellicherry Circle.

Resolution—Mis. No. 260, dated 21st January 1899.

The Board requests the sanction of Government for the transfer to the Salt, Abkári and Customs Department, for use as quarters by the Inspector, Tellicherry Circle, of the building inside the Tellicherry fort lately occupied by the Post office.

2. It will be observed from the correspondence ending with G.O., No 4651, Revenue, dated 4th September 1897, that the Tellicherry Inspector's office is located inside the fort, and as the Tellicherry gollah also adjoins the Circle office, the local officers consider that the Inspector will be better able than at present to exercise efficient supervision over both if the building above referred to, which is well suited for an Inspector's quarters and most conveniently situated, is placed at his disposal. Tellicherry is a place where some house accommodation is available and, according to the terms of the Government of India order communicated with G.O., No. 717, Revenue, dated 8th July 1882, quarters should not be built at Government expense in such places, but the present proposal has regard to the utilization of a building already provided and conveniently situated for Government work and for which no other service is found.

FORT ST. GEORGE,
3rd February 1899.

(Signed) G. S. FORBES,
Secretary to Government.

No. 930 C.

Referred to the Superintending Engineer, IV Circle, for report whether there is any objection to the transfer of the building in question to the Salt, Abkári and Customs Department.

(Signed) A. W. SMART, Col., R.E.,
Ag. Secretary to Government.

11th February 1899.

From A. H. GARRETT, Esq., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 6th March 1899, No. 131/W.

With reference to your endorsement No. 930 C., dated 11th February 1899, returned herewith, I have the honour to inform you that the building in question is not required by any other department and there is no objection to the proposed transfer.

2. The Port officer has suggested that the building should be demolished and a more suitable residence on the same site erected for himself. But as the building is in very good order, it would entail a great waste of money to pull it down.

ORDER—No. 873 W., dated 22nd March 1899.

The transfer of the building in question to the Salt, Abkári and Customs Department, is sanctioned.
