General.

Calcutta, the 16th February 1899.

SIR,

I AM directed to enclose two lists—

(1) showing the number of copies of the monthly Proceedings of Local Governments and Administrations required to complete the series deposited in the record rooms of the Department of Revenue and Agriculture;

(2) showing the surplus copies of the monthly Proceedings of Local Governments and Administrations deposited in the record rooms of the Department of Revenue and Agriculture.

If in any case there were no Proceedings for the month specified, I am to request that the fact may be stated.

NOTE FOR THE ~~CHIEF SECRETARY~~.

We may get all the spare copies of our Proceedings Volumes which the Govt of India has, if the Secy so wishes. But it is submitted that the records of which spare copies are constantly required for reference are not these monthly volumes but individual loose proceedings. Moreover the receipt of a large number of surplus copies of monthly Volumes will entail considerable labour in the way of re-arranging the existing records of this class which lie at present stowed away in racks in the order of date in full (as) without any provision of room for putting in more copies among them, as additional supply of records in this direction was not expected at the time arranged they were

Note for the Registrar, Rev. Dept.

Excluding one set maintained for reference, the number of spare copies available of each of the volumes mentioned in the first 5 items in list 1, which appertain to Revenue, will be found noted in the last column in the list. As it is desirable that at least one extra set should be preserved here it is submitted that the requisitions of the Govt of India cannot be complied with in regard to the volumes in items (1) + (3) and the volume for Jany 1871 included in item (2), of each of which we have only one copy in stock.

As regards List (2), a copy of each of the volumes specified below which are included therein may be indented for. The number of copies in stock at present is noted against each item.

1863 August. (no copy in stock)
1865 Feby to April, July and Sept (1 copy of each in stock)
