3. Of the amount shown against Vizagapatam, Rs. 307 represents the arrears due from a certain shopkeeper of the Sálúru taluk who sustained heavy losses on account of reckless bidding and of the unfavourable season. The shop was not resold, as there was no prospect of securing any bid at a resale. The defaulter is reported to be a pauper.

4. The bulk of the amount shown against the Madras Town Circle represents license fees and tree-tax due by certain toddy shopkeepers who have relinquished their shops. The Inspector, Madras Town Circle, reports after renewed enquiry that the defaulters responsible have no property to be proceeded against. The Deputy Commissioner, Central Division, has been requested to investigate the cause of the relinquishment of the shops and to report whether the present rates of license fees and tree-tax are pressing too heavily on the shopkeepers.

5. Rupees 1,195-12-6, as per particulars given in the margin, represents the tax on trees illicitly tapped for fermented toddy by toddy-drawers who are reported to possess no property.

6. Of the balance remaining against Trichinopoly, Rs. 600 represents the rent of a toddy shop in the Trichinopoly town which was ordered to be closed for two months on grounds of Police Administration and on account of the proximity of its site to a plague camp.

7. The defaulters responsible for the rest of the arrears stated to be irrecoverable are reported either to have no property to be proceeded against or to have absconded or died leaving none.
