OFFICE OF THE BOARD OF REVENUE
(LAND REVENUE),
Madras, 20th March 1899 ~~189~~.

READ— Government Order, Revenue Department, Misc.No.1030 dated 11th March 1899.

Reference No. A. 59 dated 20th March 1899 ~~1898~~.

As directed in the Government Order read above, a draft notification under section 17 of Madras Act IV of 1897 for the survey of whole inam villages in the Nellore district is submitted herewith for approval and publication in the Fort Saint George Gazette.

2. The Board requests that instructions may be ~~is~~-issued to the Settlement Department to commence the block classification of the inam villages in advance of the survey as was done in the Tanjore district(Vide para 2 of Board's Proceedings No.628 Settlement dated 14th September 1897).

3. The Board takes this opportunity to state that the question of obtaining a contribution from the Proprietary estate village service fund towards the cost of the proposed survey and classification, which is adverted to in para 4 of Government Order No.16 Rev. dated 10th January 1898 will not in fact arise in case Government approves of the view expressed in para 3 of Board's Proceedings No.546 Mis. dated 27th January 1899 that under section 20 of Act II of 1894 the Proprietary estates village service cess is leviable with reference to the rental and not to the assessment of occupied lands in whole inam villages.

To the Undersecretary.

The Board of Rev. has submitted a draft notification for the survey of whole inam villages in the Nellore District. Section 17 (6) of Act XI of 1897 (MS) requires that when the survey of an estate is ordered without the application in writing of the proprietor, the reasons therefor should be recorded prior to the issue of the notification for survey. The reason given in the notification in the present case is that the survey is required "for the better "assessment of the land cess "and of the Ryotwari village "cess if any leviable thereon". The Board of Rev. omits proprietary village cess apparently because it considers that whole inam villages do not come under

Section 20 (iii) of Act II of 1894 (M), and that the ~~rent value~~ rent-basis, not assessment, should be taken in the case of these villages in ascertaining their rent value for the purpose of the levy of the P.V.S. Cess. This view has been held by Govt to be erroneous and the draft G.O. declaring that the village cess in whole inam villages should be based on the assessment is with the Secretary. It is not clear why the Board speaks of "ryotwari village cess if any" in the notification. The fact that the villages are whole inam villages coming under Act II of 1894 (M) excludes the ryotwari cess to be on the safe side, the concluding portion of the draft may be amended into "for the better assessment of the land and village cess" ~~include~~ also ~~this will also~~ proprietary village cess, and ryotwari village cess, if any should be leviable.

A draft order is put up on the sheet below for approval.
