Government letter from C.J. Weir Esquire, I.C.S., Collector of

Reference No. dated ~~189~~

With his endorsement read above, the Plague Com-
missioner forwards for sanction a proposition statement re-
ceived from the Collector of ^{the} Nilgiris for the entertainment
for one year of a clerk on Rs. 45 in the Collector's office

times during recent years there has been a large increase of
work which the existing establishment has found much diffi-
culty in coping with and that it is not possible to perform
the additional work connected with the plague without extra
help. The Collector proposes to entertain the clerk from the
1st instant. The Board accordingly requests that the sanction
asked for may be accorded and communicated to the Collector
direct by wire.

2. The Plague Commissioner has not pointed out the source
from which the cost of the establishment can be met. It is
presumed that it can be met from the savings out of the pro-
vision made in the Plague budget estimate for 1899-1900.

3. The services of the clerk should of course be dispensed
with when there is not sufficient work for him to do in con-
nection with the plague.
