No. 275 of 99.

From,

W. Taylor Esquire,

Agent to the Rajah of Parlatimidi.

To,

H. D. Taylor Esquire J.C.S.

Collector of Gajjam.

Dated Parlatimidi 16 April 1899.

Sir,

I have the honor to state that your foot note no. R. G. B. 184/99, dated the 16 April 1899, forwarding

Proceedings of Government no. 1309, dated 3 April 1899, has caused me very great surprise, as I never anticipated anything of the sort.

2. As regards land in this estate, required for the railway, the Rajah will arrange matters with his ryots, and the assistance of any one from outside is not required, so the heavy expenditure proposed will be avoided. The fact is, there is very little land to be acquired in the estate, as for more than four fifths of the distance, the railway runs along an old highway for which no assessment is paid by the ryots. Of the land required I have already settled several claims, and intend to settle the rest when I go for Jambabundi to the Southern portion of the estate next week.

3. As regards the seven or eight miles that the line of railway runs outside the boundary of the estate I have written to several proprietors and Allokasars to whom the land belongs to grant

the land free of cost for the railway on the ground of its public utility; and as I have heard nothing to the contrary I presume that the land will be so granted.

4. As regards the small portion of land outside belonging to the Nandigam estate, now under the Court of Wards, you may of course employ a special Deputy Collector if you think it necessary, and the Rajah will I suppose have to pay the cost when the bill is made out. At the same time I shall move the Court of Wards to grant the land without payment, as it will in course of time benefit the estate of the minor. And moreover it has always been the policy of Government to grant land free of cost for a work of public utility such as the Rajah's railway.

5. In these circumstances, and as there seems to be a certain amount of urgency in the case, a copy of this letter is sent direct to the Revenue Secretary to Government.

I have the honor to be

Sir,

Your most obedient servant,

(Sd) W. Taylor

(A true copy) Agent to the Rajah

Revenue Department

Read letter from the Agent
to the Rajah of Parlakimedi
17. 6 April 1899 (no 2700 of 99)

To Under Secretary.

The appointment of a special
Dy Collector together with an establish-
ment consisting of two clerks - one
on Rs 30 and another on Rs 20 - ,
required for the acquisition of the
land for the Nampada - Parlakimedi
tramway, was sanctioned in
G.O. no 1309 of 3rd April 1899. The
Collector of Gajajam was, at the
same time, asked to call upon the
promoter of the tramway to -
deposit in the Government treasury
in advance a lump sum approxi-
mating to the cost of the acquisition
of the land and of the special
establishment. In recommending
the appointment of a special
Dy Collector, the Collector reported
that the agent of the Rajah of
Parlakimedi had written to him
that as the work connected with
the tramway was at a standstill
an officer might be appointed

Para 1 of the Collector's
letter of 4. 3. 99. E
(in G.O. 1309 of 3. 4. 99).

to acquire the land as quickly as possible. Attention is also solicited to para 5 of the Collector's letter to the Board dated 1st December 1898 in which it was stated that the Special officer deputed would have also to settle claims of compensation in respect of lands situated within the estate of the Rajah. ~~Mr~~ 2 Mr W. Taylor, the Agent to the Rajah, now forwards a copy of a letter addressed to the Collector intimating that the order of Government referred to has caused him very great surprise. He states that there is very little land to be acquired in the estate, that as regards the seven or eight miles the line of railway runs outside the boundary of the estate, he has addressed the several proprietors with a view to obtain the land free of cost for the railway on the ground of its public utility, and that as regards the small portion of the land outside the estate & now under the Court of wards, a special Dy Collector may be employed if necessary. For orders as to whether the
