Resolution:-

Mr. Popert, Conservator of Forests who is now at home on furlough has been offered employment for nine months in the Woods and Forests Department in Gloucestershire. He presumes that there is no objection to his accepting the post but asks for orders on the subject.

The Board proposes to inform him with reference to G.O. No. 219 *Public* dated 21st February 1899 that he must obtain the permission of the Secretary of State for India before taking up the appointment. If the Government of Madras has no objection to the application being complied it might be well if Mr. Popert were authorized to say so.

The favour of early ~~orders~~ orders is requested as the appointment is to take effect from early in June.
