Proceedings of the Board of Revenue

(Land Revenue).

No.1104 Misc.,dated 28th March 1899.

Read letter from J.K.Batten Esquire,Acting Collector and District Magistrate of North Arcot,to the Secretary to the Government of Madras (Revenue Department) through the Board of Revenue (Land Revenue),Ref.on Cur.No.479/B & G of 1898 dated 13th March 1899.

Resolution

The Collector's report on Government petition No.0495 of 1898 will be submitted to Government with reference to its Endorsement No.1342 R dated 8th September 1898.

2. In its Proceedings No.4738 Misc. dated 19th October 1896, the Board sanctioned the proposal of the Collector of North Arcot to resume the panchangam service inams of the villages of Machambat and Kailasagiri, Gudiyatam taluk, on the ground that they had been mortgaged with possession and had not been redeemed by the inamdar even after notice.

3. The Collector now reports that the prescribed service in both the villages has always been and is still being duly performed by the petitioner who is the inamdar in both. With reference to the inamdar's contention that the inam lands in question were not mortgaged by him as stated by the Collector but were only leased out for cultivation, the Collector considers that the circumstances of the case point to the transaction being of the nature of a mortgage, not of a lease. Still

under the present policy in regard to artizan inams which was explained in para 3 of Board's Proceedings No.20 dated 25th January 1899 and approved in Government Order No.663 Mis. Rev. dated 13th February 1899, this is a case in which the order of resumption may be reconsidered and the inams left in statu quo ante provided the inamdar does not levy from the Community any unusual charge for his services, that is to say, provided the charge, if any, which he makes is only a customary payment not representing the full value of the service rendered. The Collector will be requested to dispose of the case accordingly.

The Collr. now reports that the prescribed service in both the villages has always been, and is being still, duly performed by the pedi. who is the Kiamdar in both. With reference to the Kiamdar's contention that the Kiam lands were not mortgaged but only leased out for cultivation for a period of 12 years, the Collr. considers that the conditions stipulated in the cowle submitted by the pedi. and a loan bond executed on the same date as, and simultaneously with, the (lease) deed, indicate that the transaction

tion was in effect a mortgage, and not a mere lease. However the cowle was cancelled and the inam lands have been restored to the pettis possession. The Board considers that as the service has been uninterruptedly kept up by the inamdar in spite of the alienation of the inam, the order of resumption may be reconsidered as pointed out in para 3 of BP. 20 d/25-1-99, "and the inams kept in "status quo ante", provided "that the inamdar does not "levy from the community "any unusual charge for "his services, that is to say, "provided the charge, if any, "which he makes is only a "customary payment not "representing the full value "of the service rendered". The Board has instructed the Collr. to dispose of the case accordingly.
