20 MAR 1899

Proceedings of the Board of Revenue  
(Revenue Settlement, Land Records and Agriculture),  
Dated 16th March 1899. 189.  
No. 1449 Mis.

Read...endorsement from the Revenue Department, R No.348,dated  
3rd March 1899.

Resolution.

With reference to the endorsement read above,  
the Board begs to state that the request of the Government  
Botanist apparently is that he may be exempted from the ope-  
ration of the general rule in article 1159 of the Civil Ser-  
vice Regulations prohibiting Officers from drawing daily al-  
lowance for more than ten days of a halt at one place. The  
exemption may under the article be granted by the Local Go-  
vernment in special cases where such prolonged halts are ne-  
cessary in the interests of public service, provided

- (a) that it was necessary to maintain camp equipage du-  
ring the period, or
  - (b) that such prolonged halt put the officer to extra  
expense, even though no camp equipage was maintained.
- Such exemption is also subject to such limits or condi-  
tions regarding the amount of the allowance and the pe-  
riod for which it is granted as the Local Government  
may think fit to impose.

The Board considers that, although the Govern-  
ment Botanist may, in the interests of public service, be re-  
quired

quired to halt for more than ten days at a place in some cases,  
it can seldom be necessary for him to maintain camp equipage  
during such period. But prolonged halts may put him to extra expense  
though generally speaking, in such cases, unless the halt be  
at Madras, the extra expense of living in camp decreases af-  
ter the first period of ten days. The general exemption sought  
by the Government Botanist seems therefore unnecessary but  
the Board in this department may be authorised to grant the  
exemption in special cases, subject to such conditions as may  
be considered necessary. Under article 1161(a) of the Civil  
Service Regulations, the head of the Geological Survey Depart-  
ment has powers under the general rule in article 1159 and  
under article 1161(b) these powers may be delegated to the  
Settlement Commissioner, so far as the officers of the Settle-  
ment Department and their establishments are concerned. The  
analogy between the work to be done by the Government Botanist  
and officers of the Geological Survey is very close and the  
Board requests that the powers of a Head of Department may  
be granted to the Commissioner of Revenue Settlement and Di-  
rector of the Department of Land Records and Agriculture as  
regards the Government Botanist and his establishment.

Forwarded to Government.

As the Government Botanist, Mr. Barber is not  
an officer of the Settlement Department, article  
1161 (b) Civil Service Regulations, does not apply  
to his case; and there is no rule or order under  
which the general power to exempt Mr. Barber  
and his establishment from the article 1159 Civil  
Service Regulations can be delegated to the  
Commissioner of Revenue Settlement, Land Records  
and Agriculture.
