## Proceedings of the Board of Revenue (Separate Revenue).

Dated 14 April 1899.  
Mis.No. 1530

Read petition from Messrs. Parry and Company, dated 18th February 1899, requesting the Board to authorize officers in charge of distilleries to sanction the carrying out of minor alterations in distillery arrangements.

### RESOLUTION:---

under G.O. 364  
27.4.91

Rule 3 of the Distillery and Warehouse Rules requires that no alteration or addition shall be made in or to distillery buildings or in or to the stills and other permanent apparatus, without the permission of the Commissioner. Under this rule all alterations whether important or unimportant have to be carried out only with the prior sanction of the Commissioner.

2. In the letter read above Messrs. Parry and Company call attention to the delay and inconvenience caused by the necessity of constant references being made to the Board for sanction for repairs and alterations and ask whether distillery officers cannot be permitted to use their discretion more freely in cases when the safety of the Revenue can scarcely be considered as concerned.

3. In view of the fact that the officers now posted for duty at distilleries are trained men who have a fair knowledge of the construction and uses of distillery plant the Board considers that such officers might safely be permitted to sanction the carrying out of minor alterations in distillery arrangements.

subject to immediate report to and subsequent approval by it.  
Instructions as to what would be regarded as minor alterations  
would require to be issued. The sanction of Government is accord-  
ingly requested for amending rule 3 of the Distillery and Ware-  
house Rules in this regard.

4. A draft notification is submitted for approval and publi-  
cation in the Fort Saint George Gazette.
