Registration of trade over road and river by trained staff.

No. 243 R.  
GOVERNMENT OF INDIA  
STATISTICAL BUREAU  
(Rail-borne and River-borne Trade)

To  
THE *Secretary to the Government of Madras*  
*Revenue Department*

*Calcutta, the 5th April 1899.*

SIR,

IN continuation of the correspondence noted in the margin, regarding the registration of trade by road and river by the employment of a trained staff, I have the honour to invite attention to the circular communicated to the *Government of Madras* with the endorsement of the Department of Public Works, India, No. 857 R. C., dated the 21st June 1898, in which the Government in that Department suggested a system on which information should be collected and exhibited in framing estimates of traffic on projected rail-roads. It will doubtless be considered expedient that the registration of traffic contemplated in the Resolution of the Department of Revenue and Agriculture, India, No. 18, dated the 9th July 1890, should be made on similar lines.

I have the honour to be,

SIR,

Your most obedient Servant,

*Ho'laia*  
Director-General of Statistics.
