(Land Revenue)

Madras, 21st April 1899....

Read again Board's Proceedings NO.680 Mis., dated 22nd February 1899, communicating to the Collector of Anantapur letter from the Accountant-General stating that temporary deputations of -- Government servants for Local Fund service or plague duty should not be permitted.

... letter from Bannatyne Macleod Esqre., Collector of Anantapur R.C.NO. 33, dated 25th February 1899 and Reference thereon A NO.42, dated 8th March 1899.

... letter from the same officer R.C.NO.33 of 1899 dated 5th April 1899.

Reference A NO.115, dated 21st April 1899.

In his letter NO.33 dated 25th January 1899, the Collector of Anantapur enquired whether Taluk Mastas or other officers in Government service could be permitted to take up temporary appointments on plague duty as Sanitary Inspectors and Supervisors in the Local Fund Service with a lien on their permanent appointments. The Accountant-General to whom a reference was made on the subject stated that such appointments should not be made without the sanction of Government as the employees so transferred would lose their Government service for pension. This ruling was communicated to the Collector. (vide Accountant-General's letter NO.I.A.E/55 C, dated 17th February 1899 communicated in Board's Proceedings NO.680, dated 22nd February 1899). Mr. Macleod now reports that before the reply of the Accountant-General was

onerous nature of the duties devolving on them men are generally reluctant to go on plague work and represents that it would be hard ^{measure} to deprive Government servants so employed of service for pension. He proposes to dispense with the plague establishment at the ^{end} of the current month as the epidemic is fast disappearing from the district. In the circumstances stated the Board recommends that the sanction applied for may be accorded under article 463 (e) of the Civil Service Regulations.
