Please see the Under-Secretary's remark in the accompanying note. Endeavour was made to get the information required here. But as no copy of the Cawnpore Experiment Station report is to be had here this is sent down to Madras. Please send this up with a copy of the Cawnpore Experiment Station report.

A careful search has been made and the reports are not forthcoming in our Library. Neither the Public Dept. Library has got copies of the Report.

Not being able to get the information here, I went to the Bd's (both) Office yesterday, and from the Reports - which are not here - I find that they are issued by the N.W.P Govt and not by India. ~~Requisition for same~~ If necessary, a requisition memo for a copy of the Report may be sent direct to us only.
