Sir,

I have been granted two months' privilege leave on account of my Famine Service vide Fort St. Geo: Gazette dated the 20th March '99. When I applied for the leave, I elected the Concession (2) in para 2 of the Govt of India Resolution No. 5047 Financial dated 15th November '97 as I then thought that it would be sufficient to recruit my health. I since find that I require longer rest. I therefore request that the two months' privilege leave already granted to me and which I have availed myself of from the afternoon of the 20th instant may be Commuted into

for four months (Vide)
comply with effect from the after- noon
of the 20th instant, thus allowing me the
concession (b) instead of (a) of para 2 of
the Govt of India Resolution quoted above.
I may state that I have taken no furlough
during the whole of my Service extending
to over 32 years. I request that you may
kindly be pleased to submit this my
application to Govt for favourable consider-
tion and orders.

I have the honour to be

There is no objection to the
alteration proposed by the Dy
Collector. The present arrangement
viz that Mr Tottenham should
be in charge of Musiri subdivision
may continue if Government
is pleased to invest him with
first class magisterial powers. A
separate application to this effect
has already been made to the
Judicial Department. Otherwise
it will cause a good deal of
inconvenience if a Magisterial
with second class powers
remains in charge of the
Sub division for so long as
4 months.

In G.O. misc. No. 1145 Rev: dated 20th March 1899, Mr K. Narayana Aiyar, Dy Collector, Musiri Division, Trichy, was granted two months' privilege leave with effect from or after 17th April last under rule 2 (ii) of the famine concession rules which permitted officers who had been employed on famine duty for not less than ten months,

either (a) to take two months extra privilege leave or

(b) to draw full pay instead of half for the first four months of furlough &c.

reports that when he elected to avail himself of the first alternative concession he thought that the period would be sufficient to recruit his health but that he now finds that he requires longer rest. He accordingly requests that the ~~unexpired~~ privilege leave given him may be converted into furlough for four months.

3 When Narayana Aijar took ~~privilege~~ leave it was arranged that his division should, during his absence, be placed under the charge of Mr Tollenham I.C.S (a passed Assistant). The Collector now reports that if this arrangement is continued and Mr Tollenham is invested with 1st class magisterial powers (for which he says he has made separate application) there is no objection to Narayana Aijar's present request being complied with. I think the desired furlough should be granted, and I would invest Mr. Tollenham with 1st class powers for the 6 months as recommended by the Dist Master: it is all right as a rule, but it is hedantic to make it rigid. The Asst Master is now come over 3 or 4 years older than was formerly the case. H.W.

to forwarded, states that the Dr Collr is eligible for a furlough he applies for and that the local Govt is competent to sanction his application.

4 The proposal to grant 1st class powers to Mr Tottenham has however been since rejected by Govt and that officer being further a passed Asst he may be called away at any time to act as H.A.C in other districts. If the question of lending an officer with 1st class magisterial powers need be considered only when Mr Tollenham is transferred elsewhere Narayana Aijar's application may perhaps be sanctioned.

As Narayana Ayar has earned his concession, I submit he should if possible be allowed to enjoy it. Trichy is a light district & probably the Dist will find no particular difficulty in distributing the 1st class cases between the other Asst Masters.

With reference to this H. Mo. note d 19/5/99 on the Revenue Dept. G.O. below regarding the investiture of Mr. Loftus-Tottenham with 1st class powers, attention is invited to the Govt. of India resolution in G.O 900 Judl. d 5/7/81 which lays down a strict rule that 1st class powers cannot be granted until an officer has been a 2nd class Magistrate for six months. The sanction of the Govt. of India will be required for any modification of this rule -

Mr. Tottenham has held 2nd class powers for just three months.
