Office of the Board of Revenue

(Land Revenue)

Madras, dated 18th April 1899.

Read letter from J.G.D.Partridge Esq., Collector of Madura to the Secretary to the Commissioners of Land Revenue, Madras, R. on C.No.726-G1. of 1899, dated 13th ~~April~~ March 1899; and reference thereon A.No.63, dated 22nd March 1899.

Read also letter from the same officer R. on C.No. 726-G1. of 99, dated 13th April 1899.

Reference A.No.107, dated 18th April 1899.

In its Order No.1021 Mis.Rev., dated 20th February ~~1899~~ 1897, Government sanctioned the loan of the services of P.C.Doraiswami Nayudu, a clerk on Rs.25 in the Collector's office to the Madura Municipal Council for employment as Manager of the Municipal ~~Council~~ office on a salary of Rs .90 per mensem for a period of three years. The Collector now forwards a communication from the Chairman of the Municipality in which he states that Doraiswami Nayudu was granted three months' leave with effect from 7th January last on forfeiture of full pay on the certificate of the District Medical and Sanitary officer and that as he has been constantly suffering from chronic rheumatic pain for sometime past, it has been considered advisable in the interests of the Municipality to replace him by a responsible and active Government servant conversant with account matters. Mr. Partridge accordingly recommends that the services of R.Gopala Rao, permanent first class Revenue Inspector on Rs.40 and acting Taluk Head Accountant on Rs.50 in the district who has put in more than 23 years qualifying service may be lent to the Municipality for appointment as Manager of the Municipal office on a pay of Rs.70 (exclusive of pensionary contribution) as proposed by the Municipality. Under clause (1) of article 806 IV of the Civil Service Regulations the remuneration to be given by the Municipality should be limited to 25 per cent over the salary of the appointment in the Government service but in view of the fact that the ~~duty~~ duties as Manager of the Municipal office entail unusual responsibility and require special capacity, the Collector ---

considers that Gopala Rao may be allowed to draw Rs.70 under clause (2) of article 806 IV of the Civil Service Regulations. The Board supports the Collector's recommendation.

Submitted to Government with the remark that there is no account objection to the transfer.

Gopal Rao's pay under Government as 1 class Revenue Inspector being only Rs 40 per mensem he cannot while in Foreign Service draw any higher salary than Rs 50 per mensem under clause 1 of article 806 IV Civil Service Regulations, but if Government be satisfied that the case falls under clause 2 of the above article, there is no objection to his being granted a salary of Rs 70 per mensem as proposed.

The attention of Government is invited to the views expressed by the Govt. of India in para 2 of their Resolution No 1282 P dated 20 March 1899. Finance & Commerce Department.

Rc. A. No. 107 Dated 18. 4. 99 189 .

FOR ORDERS.

Secy.

Submitted that it is not shown that the Municipality cannot otherwise obtain a competent officer. Please see para 2 of India's Resolution No. 1282 P dt 20. 3. 99.

(Initd) N. E. M. 15. 5. 99.

Please see the Govt. of India Resolution. Its terms are very stringent; & the arguments against transfer to foreign service, which includes the service of local bodies, are strongly put from the financial point of view.

Before sanctioning a transfer to such service it must be shown that the services of an officer

competent person the work required cannot be obtained, & secondly that public considerations require that the public body shd be assisted by the Govt.

I donot think that the Secty. C. possibly make out that a Manager on Rs 70 cannot be procured locally in the open market. But I have brought this case to prominent notice with reference to the second consideration noted above for guidance in the numerous cases that are referred. 2ly. I say that where the case is of a Secretary to a Municipal we shd. hold that generally there are good public grounds for a transfer. Under the recent Act the Secretary has very extensive powers & if a M.C. chooses a public servant it is very desirable to let him go, other conditions being fulfilled. But in the case of an offcia Manager or of the other clerical staff we shd. insist

With reference to para 2 of this Resolution I enquire what sufficient grounds are now shown to warrant Govt. permitting the transfer

on a strict observance of the other condition that it must be satisfactorily shown that a competent hand cannot be obtained in the open market. The Resolution is very stringent.
