Proceedings of the Board of Revenue

(Separate Revenue),

Dated 6th May 1899.

Mis. No. 1983

Read letter from Muhammad Raza Khan, Esquire, Collector of Kurnool, Ref:No.658/Genl of 99, dated 28th April 1899, submitting report regarding the introduction of Amani system in regard to the unsold arrack shops in the Markapur Circle comprising the Markapur and Cumbum taluks.

Resolution.

The results of the sales of arrack shops in the Markapur Circle for the current lease are reported to be worse than those obtained for the previous one. Out of the 164 shops sanctioned for the Circle, only two have been disposed of up to date and the remaining 162 shops are stated to have found no adequate bids either at the original sale or at the resale, mainly owing to combination amongst the bidders. In the letter read above, the Collector of Kurnool suggests that the Amani scheme sanctioned for the Circle during the previous year in Government Order Mis.No.2025, Revenue, dated 7th May 1898, should be repeated and extended during the current year and recommends that all the 162 shops remaining unsold or as many of them as may be found convenient should be worked under the commission system. The Board approves of the Collector's recommendation with the proviso that amani shops should be opened only at places where they are found to

be necessary to supply a licit demand. It must also be seen that all the shops opened are in reach of one or other of the depots.

2. Five depots are proposed to be opened at the following places:-

1. Giddalur)
2. Cumbum) Cumbum taluk.
3. Markapur)
4. Yerragondapalem) Markapur taluk.
5. Dornal)

The Assistant Commissioner, Bellary Sub Division, reports that he has authorized the Inspector of the Circle to continue to work the depots opened during the previous year in the first four places above mentioned in anticipation of sanction. His action is approved, and a fifth depot at Dornal will also be opened as recommended by the Inspector and the Collector. The depots will be worked as suggested by the Deputy Commissioner, Central Division, in consultation with the Collector in para 3 of his letter No.C.41, dated 29th August 1898, by appointing village heads to charge of the depots on a payment of Rs.6 per mensem which will include remuneration for storage of the liquor. But the Range Sub-Inspectors concerned should be required to keep the accounts and to be present at the time of issues which may be confined to selected days in the week. The Collector will arrange for supplying the depots with spirits as he best can.

3. The amani shopkeepers should receive a commission of annas four per gallon and should be supplied with spirits on payment of Rs.5 per gallon of 30° U.P. and proportionately for other authorized strengths. Of this sum, Rs.3-1-0 should be credited to Excise duty and the balance after meeting the cost of arrack and other expenses to shop rents.

4. A copy of these Proceedings is submitted to Government for favour of approval.
