GOVERNMENT OF MADRAS.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following ~~papers~~—

Proceedings of the Board of Revenue (Separate Revenue) Mis. No. 4598, dated 19th November 1898.

Read letter from J.H. Merriman Esquire, Deputy Commissioner, Northern Division, No. 3297, dated 14th September 1898, submitting for orders the Surla Inspector's suggestion for the entertainment of a scavenging establishment at Surla.

Read also letter from H.D. Taylor Esquire, I.C.S., President, District Board, Ganjam, Dis. No. 371/D.B. of 98, dated 26th October 1898, informing the Board that the scavenging establishment at Surla, which was provided in the Budget for 1898-99, was abolished under the orders of Government in order to provide an additional contribution from Local Funds towards famine, and that the President Taluk Board, Berhampore, has under his consideration proposals for the improvement of sanitation at Surla when funds permit.

Resolution:-

The Deputy Commissioner, Northern Division, has brought to the notice of the Board that the ~~sa~~ scavenging establishment at Surla hitherto maintained by the Taluk Board, Berhampore, was dispensed with from the 22nd August 1898, and that its abolition is likely to cause serious danger to the public health there. He urges the necessity of continuing the employment of two of the six scavengers on Rs 3-8-0 per mensem formerly entertained there, to prevent the outbreak of any epidemic, as such an outbre

would

would seriously effect the establishment of the Salt Factory which is in close proximity to the village. The Collector and President, District Board, who was requested to reconsider the matter and report, states that that the scavenging establishment, which was provided in the Budget for Surla, was abolished under the orders of Government in order to provide additional contribution from Local Funds towards famine, and that the President, Taluk Board, has under his consideration proposals for the improvement of sanitation at that place when funds permit. This is very indefinite. Government is already aware that Surla has a very evil reputation for fever and outbreaks of cholera, which have caused considerable mortality amongst the Factory officers (vide correspondence ending with Government order Mis. No. 180 Revenue, dated 12th January 1898). In view of the extremely insanitary condition of the place and of the danger to the public health likely to result from the abolition of the scavenging establishment, the Board requests that Government will be pleased to make arrangements to provide funds for the maintenance of that establishment. A contribution towards this object may, if necessary, be made from the Salt Budget.

From the President, District Board, Ganjam, Dis. No. 142/D.B., dated 2nd February 1899.

With reference to your foot-note No. 1373 dated 13th December 1898 (herewith returned) I have the honour to forward herewith a copy of letter Dis. No. 3/L.F. of 1899 dated 5th January 1899 from the President, Taluk Board, Berhampore regarding the maintenance of the scavenging establishment at Surla.

2. The proposal of the President, Taluk Board asking for a contribution from Provincial Funds (Salt Budget) has my support.

From the Board of Revenue, (Separate Revenue), Sub. No.1275, dated 15th March 1899.

The Board has no objection to making a contribution of Rs 10-8-0 a month towards the scavenging establishment at Surla until such time as the District Board is in funds again. The cost might be debited to miscellaneous contingencies in the Salt Budget . It is, however, to be observed that the Deputy Commissioner asked for the re-entertainment of only two scavengers while the Taluk Board President's proposals are for that of six.

Order

Order No. 1059 L.Mis., dated 16 th May 1899.

The Taluk Board of Berhampur should accordingly take credit for a monthly contribution of Rs 10-8-0 from the Salt Department towards the cost of the scavenging establishment at Surla, the entertainment of which has since been sanctioned in G.O. No. 607 L dated 17th March 1899.
