Sir,

I have the honour to return
the petition of N. Muttuswami
Nayudu forwarded to me for
report, endorsement, R. no. 327 dated
27th February 1899.

2. The statements therein made
appear to me true. As regard the
management of the Marumajapur
Estate, it was in my mind to con-
fer the post on Petitioner, but on
reflection, it appeared to me

that such a course might be open
to objection taking into Consider-
-ation the importance of the
post and the Circumstance
that Petitioner was not in Go-
-vernment employ.

3. I have no reason to doubt
Petitioner's honesty of purpose
and if Government sees no
objection to such a course, I
would gladly appoint him
to that managership on a
vacancy occurring. As re-
-gards his request for 300
acres; it is such a vague one,
no locality being specified,
that I do not see my way to re-
-commending it.

I have the honour to be, Sir,

To

HIS EXCELLENCY,

~~THE RIGHT HONORABLE~~

THE GOVERNOR-IN-COUNCIL,

MADRAS.

*The humble Memorial of N. MUTHUSAWMY
NAIDU, residing at Nachar Kovil Street,
Woriur, Trichinopoly.*

MOST HUMBLY SHEWETH,

1. That the petitioner's paternal and maternal ancestors were always employed in the Military branch of the British Government for the last 3 generations.
2. That the petitioner's father was both Manager and Accountant in the P. W. Department for very many years.
3. That the petitioner has passed the following examinations:—
 - (a) The Uncovenanted Civil Service Examination.
 - (b) The Criminal Lower.
 - (c) On applying for the Revenue Lower examination, petitioner passed only in the "Revenue Code" and the standing orders of "Board of Revenue," but unfortunately failed in the Civil Account Code.
4. That the petitioner ever since his 20th years of age has been making several applications to all heads of Departments for a post, but to his deep regret, his case has not been favorably viewed by them, and that his short stature stood in the way of his entering the Police Department—although he was offered twice the post of a Police Inspector.
5. However the petitioner held the following temporary appointments, covering a period of 5 years; (1876-1881.)
 - (a) A clerkship on a salary of 20 Rs. in the Chief Engineer's Office of the South Indian Railway. (1876-80.)
 - (b) Purveyor of the Municipal Hospital, Trichinopoly, (1880-81) on a salary of 30 Rs.
6. As a last resource, petitioner memorialized, the then Government in 1881, to exempt the petitioner from the 25 year's age limitation, and also requested to give him a suitable situation. In reply the petitioner received an endorsement No. 844 of 1—10—81 to the effect that the Government never interferes with the distribution of subordinate appointments as the same is left in the hands of the Heads of Departments, but that the petitioner's request regarding exemption from the age limitation of 25 years would be considered when any head of a department requires his services.

7. On the strength of the above endorsement, the petitioner made several further attempts to enter the Government service but failed.
 8. While W. F. Grahame Esq., was acting District Judge of Trichinopoly in 1886, the petitioner represented his grievances to him, and also showed him the above G. O. He was kind enough to provide the petitioner with the acting Aminship of his Court, and at the same time, wrote to Government for exemption which was accordingly sanctioned. He further promised to give him a Nazir's place in any of the Munsiff's Court under his jurisdiction. (Please Vide G. O. No. 1323 dated 13th December, 1886), but the sudden transfer of Mr. Grahame blighted the petitioner of all hopes of securing a Nazir's post, and since then is unemployed although he has the said exemption order with him.
 9. The petitioner seeing thus disappointed in his endeavors to secure Government service, he entered into an agreement in 1891 with Mr. Downes, the Agent of Messrs Mc. Dowell and Co., employing him as the petitioner's agent in London for the disposal of silver "Jewelry and Cigars." But after the petitioner had manufactured the silver Jewelry and Cigars and had them stored and kept ready for transshipment, Mr. Downes found himself unable to sever his connection with the firm of Messrs. Mc. Dowell and Co., by reason of his not having furnished the required notice &c., and consequently the petitioner had no other alternative than to sacrifice his goods, and thus entailed a loss of Rs. 6000.
 10. Again the petitioner relying on the promises given by the several Collectors of this District to give petitioner a suitable appointment either in the Court of Wards or elsewhere on a reasonable pay to maintain his large family, petitioner regrets to state that when a good opportunity recently offered itself as Manager of the Marungapury Estate, the present Collector gave the same away to one of the clerks of his office, consequently petitioner's last hope of ever obtaining employment has gone.
 11. Petitioner humbly begs that the Government will take into favourable consideration petitioner's claims, and provide petitioner with a suitable appointment under their kind patronage in any District in the Presidency or in any Court of Wards as not a single member of petitioner's family is employed under the Government, and finally if the Government cannot see their way to provide him with an appointment, petitioner as a last and earnest prayer humbly solicits that unassessed or assessed waste lands on Darkast suitable for wet cultivation not less than 300 acres bringing in no revenue to Government may be given him within the Trichinopoly Taluq or any other Taluqs in the District, and petitioner on his part faithfully promises to pay the required revenue thereon.
 12. Petitioner who is aged 43 years is emboldened to indite this petition as he is reduced to perfect destitution, and if no redress is timely afforded, petitioner and his large family must inevitably die of starvation.
- And memorialist as in duty bound will ever pray.

11th February 1899,
Woriur,
Trichinopoly.

Cur No. 1583

From The Collector of Trichinopoly

Remo 374 99 Dated 3rd March 1897.

FOR ORDERS.

In February last, one N. Muthuswami Naidu of Trichinopoly presented a petition to H.E. the Governor stating that his ancestors had served the British Govt in the Military branch for three generations and that though he had passed the U.C.S. Exam. and the Criminal Test (Lower Grade) he was not successful in getting a permanent appointment under Govt. in spite of his endeavours for 23 years. He was exempted from the 25 years rule in G.O. no 1323 Fined d/13-12-86 and it was held subsequently that the order of exemption passed in 1886 was still in force. The

peti. says that relying on the promises given by the several Collrs of the District to confer on him a suitable appointment either under the Court of wards or elsewhere on a reasonable day he applied for the Managership of the Marungapuri estate under the Court of wards in Richinopoly but that the Collr. gave the place to a clerk in his office. He requests that he may be provided with some place under the Govt. or the Court of wards, and that if the Govt cannot see their way to provide him with an appointment, 300 acres of assessed or unassessed waste land fit for wet cultivation may be given to him on darkhast within the Richinopoly Taluk or any other Taluk of the District.

2. The petition was referred to the Collr. of Richinopoly for report. Mr. Shipley says that the statements made by

para 2 of the current by the peti. appears to be true. In regard to the managership of the Marungapuri estate he says that he at first intended to confer the post on the peti. but that he subsequently thought that such a course was objectionable having regard to the importance of the post and to the circumstance that the petitioner was not in Govt. employ. He says that there is no reason to doubt the peti's honesty of purpose, and that if Govt sees no objection to such a course he would gladly appoint him to that Managership on the occurrence of a vacancy under Sec 8 of the Court of wards Regulation (V of 1804) the ^{nominations} ~~appointments~~ of Managers for estates under the Court of wards rests with the Collr. subject to the confirmation of the Court.

To H.E. the Governor

28/9/99

Following the Petitioner's request is not put up, and I am unable to find what is required in para 1 of the report of D. Perhaps that para might be omitted, and with regard to petitioner's application for 300 acres of land, he might be advised to make his application more businessy and more in detail, to the Collector. As to the request for an appointment, the Collector, who seems to favour the request, might be told to put the matter before the Council of Ward, and ascertain their wishes.
