OFFICE OF THE BOARD OF REVENUE
(LAND REVENUE),

Madras, 28th April 1899.

READ—Letter from Robert B. Clegg Esq., Ag. Collector of Salem, dated 13th April 1899, Ref. on Cur. No. 651 of 1899.

Reference No. 130 dated 28th April 1899

In para 3 of its Proceedings No. 978/25th April 1898 the Board requested the sanction of Government to allow Collectors who approved of the System of substituting fixed pay for fees paid to copyists, to give it a trial during 1898-99 and to report the result at the end of the year. Government sanctioned the above proposal and called for the necessary proposition statement (vide G.O. 1870/28-4-1898 Rev:).

2. In the letter read above, the Collector of Salem reports that the copyists' establishment in his district which was sanctioned in G.O. 184/9-2-99 for the year ending 31-3-1899 was entertained on the 1st March last and states that it is desirable that the new system should be allowed to work during the year 1899-1900 before the results of its working can be reported on. Mr. Clegg accordingly requests sanction for the retention of the establishment up to 31-3-1900. The Board recommends that the sanction applied for may be accorded.

3. The new system is under trial in all the other districts except Bellary and Tanjore. The establishments in those districts were sanctioned at different dates from July 1898 to February 1899 as shown in the margin and the period of entertainment expired on 31st March 1899 in each case. As it is desirable that the system

in every district should be in actual operation for some time before a report can be submitted, the Board recommends that sanction may be accorded for the retention of the establishments in all the districts up to 31st March 1900. If this recommendation be approved, Collectors will be requested to submit their reports on the results of the working of the new system on 1st January 1900 so that the final orders of Government may be communicated to them before March 1900.
