Dated 12th May 1899.

No. 2353 Misc.,

Read letter from Mahammad Razakhan, Esq., Collector of Kurnool, C.

No. 388/B&G of 99 dated 17th April 1899.

I have the honour to state that on my inviting applications from duly qualified men for the posts of Minor Irrigation Overseer and Sub-Overseers sanctioned for this District, one Mangal-eswara Iyer who passed the B.E. Degree Examination applied for the Overseer's post (Pay Rs. 60) and I appointed him to it, but before he actually took charge of the office he got an offer of 100 Rs from the Anantapur District and I had therefore to select another person for the post. Among the applications which I had received, one was that of S. Minakshisundram Aiyar. From the imperfect manner in which his application was worded I believed that the applicant had passed the Overseer's test and accordingly appointed him to the Overseer's post on 3 months probation. After he joined the post it was known from him that he had not passed the test although he had appeared for it after undergoing training in the Madras Engineering College for the full term. Immediately afterwards I took steps to secure the services of a passed man and offered the pos

but he declined the offer as he got an appointment on 80 Rs. in his own District. I have therefore now offered the appointment to another applicant who lives in Trichinopoly District and I expect him to come and take charge in a short time.

2. As the exigencies of work, however, require a man to be in the post, I have allowed S. Minakshisundram Aiyar to do the work till he is relieved by a passed candidate. But he being an unpassed man I am unable to pass his pay without the special sanction of the Government.

3. I therefore request that the Board will be pleased to obtain the sanction of the Government,

(1) for allowing S. Minakshisundram Aiyar to hold the Overseer's post temporarily from 22nd March 1899 on which date he joined it to the date of his relief by a passed candidate. and,

(2) for paying him Travelling Allowance under Article 1191 (a) of the Civil Service Regulations.

Resolution.

Submitted for the orders of the Government.

2. In his letter ^{read} above the Collector states that he appointed one S. Minakshisundram Iyer to the post of Minor Irrigation Overseer on Rs. 60 on three months' probation, under the belief that the candidate had passed the Overseer's test; that after he joined the appointment, it was found that he had not passed the test; that the appointment was thereupon offered to another applicant who lives in Trichinopoly and who is expected to join the appointment in a short time; and that in the interests of the public service, Minakshisundram Iyer has been allowed to do the work of Overseer till he is relieved by the passed candidate. The Collector requests sanction for allowing Minakshisundram Iyer to hold the Overseer's post temporarily from the 22nd March till the date of his relief and for paying him travelling allowance under article 1191 (a) of the Civil Service Regulations. The Board requests that the
