G.O., No. 556 Ry., dated 10th May 1899.

Read—the following paper:—

Circular from the Government of India, Public Works Department, dated the 26th April 1899, No. 4, Public Works.

Treatment of period of detention of officers in the Public Works and Telegraph Departments in a segregation camp on account of plague.

Read letter from the Director-General of Telegraphs, No. 285-E. T., dated the 13th January 1899, inquiring whether an officer may be considered to have been on duty during the period he and his family were segregated owing to his wife having been attacked by plague.

Resolution—The Governor-General in Council is hereby pleased to order that an officer who, not being on leave, is unable to perform his official duties owing to a short period of segregation on account of plague may be treated as on duty on full pay. In the case, however, of officers who are segregated while returning from leave and thus overstay their leave, the period of detention may be treated as duty on half-pay, if it is considered that some concession is required, but officers who are suffering from plague should be treated in accordance with the ordinary rules.

Order—Ordered that this resolution be communicated to the Local Governments and Administrations, and officers noted on the margin for information and guidance, and that copy with copy of the letter from the Director-General of Telegraphs read above and of its enclosure be forwarded to the Finance and Commerce Department for information.
