Madras, Ref. on Cur.No.108-G.B.Gan., dated 1st February 1899.

In the letter read above, the Collector of Tinne-
vally reports that under the orders of Government conveyed in G.O.
Mis.No.530 Rev., dated 21st January 1899, the Pearl Fishery Steamer (E)
"Margarita" was placed at the disposal of the Presidency Port Offi-
cer for about four weeks with effect from the 27th January last --
and requests sanction for the entertainment during the period of -

3 Lascars on Rs.10 each for the Schooner "Irene". porary establishment required
for the Pearl Fishery vessels
"Margarita" and "Irene". It is reported that the number of firemen
attached to the steamer was insufficient for a long trip and that
consequently two firemen on Rs.12 ^{each} were entertained in anticipation
of sanction and that on sea cunny on Rs.14 attached to the -----
Schooner "Irene" was also transferred to the steamer to strengthen
her crew. In order to enable the "Irene" to proceed on her daily --
inspection of pearl banks three additional lascars on a salary of
Rs.10 each were entertained as the crew of the Schooner could not
as usual be strengthened by transfer of men from the crew of the -
"Margarita". In these circumstances, the Board recommends that the --
entertainment of the additional establishment referred to may be -
sanctioned. The Collector states that the extra expenditure incurred
will be recovered from the Marine Department when adjustment is --
made after the Presidency Port Officer's tour. The Board observes -
that the charge payable per diem for ^{the} use of the vessel has been --
fixed at Rs.190. Vide G.O.No.1015, Financial, dated 6th December 1897. (G)
communicated in Board's Proceedings No.6, dated 4th January 1898. --
The Collector is requested to explain whether and, if so, why he ---
^{was}

proposes to recover the cost of the establishment also from the Marine Department.

for the Pearl Fishery Vessels "Margarita" and "Irene" for four weeks from 27th January 1899 during which the steamer was placed at the disposal of the Presidency Port Officer and requested the Collector to explain whether he proposed to recover the cost of the extra crew from the Marine Department in addition to the charge of Rs 190 per diem fixed in Government Order No. 1015, Financial Department, dated 6th December 1897 for the use of the vessel. To Under Secretary

Please draft f.o. Submitted.

With reference to the Under Secretary's remarks I beg to submit that the Current reached me on the 8th instant and I took leave up on the 13th; for two days I was hesitating whether to put up a draft order sanctioning the entertainment or refer Cus 2972 back to the Accountant-General and then followed the latter course for the following reasons (i) the Accountant-General's endorsement ^{was} written on and referred ^{to} the ^{Statement} proposition in which sanction was requested for one month and no reference ^{was} made therein to the alteration in the period of entertainment (ii) Moreover no reference was made in that endorsement to the re-appropriation Statement.

In these circumstances I thought ^{therefore} it likely that a separate endorsement put up on Cus 2972 was not copied thereon. In these circumstances I beg to be excused.
