READ.....the following letter from H.O.D.Harding Esquire, Acting
Collector of Cuddapah, Ref. on Current No.2/B & G of/99,
dated 9th March 1899:-

In connection with the new scheme of Minor Irrigation Establishment sanctioned in G.O.743, dated 5th December/98 communicated with B.P.No.462, dated 15th December/98, I have the honour to state that of the existing staff of Minor Irrigation Overseers in this District, consisting of 6 men, only two are passed candidates and I provided them both with suitable appointments in the new scheme. One of them, Gulam Khadir Sahib, is at present aged 43 1/2 years. He had been employed from time to time temporarily as draughtsman, surveyor &c. in the Public Works Department and was drafted into this District on the 22nd April 1895 from which date he has been holding the post of Minor Irrigation Overseer. Being a mussalman who possesses the required qualifications for a sub-overseer, I recommend that he may be exempted from the operation of the 25 years' rule

2. Of the remaining 4 persons, who are not passed men, two are of very short service and have not given satisfaction

satisfaction. I have therefore dispensed with their services. The other two men though unpassed, seem to deserve special consideration. One of them is T.R. Rajagopala Mudali at present, Minor Irrigation Overseer of Royachoti Taluk, who has put in a service of 10 years as Minor Irrigation Overseer and of whose capabilities the Tahsildar speaks in high terms. His age is 35 years. It is very hard that one who has been found to be a successful Overseer for 10 years should be ousted now. I therefore recommend that he may be exempted from the operation of the 25 years' rule and also from the examination rules for the post of sub-overseer.

3. The other man is B. Veerasawmi Naidu who was trained in the sub-overseer's class of the Technical Institution at Bangalore and passed the examination in the following subjects:-

1. Mensuration.....1st Class.
2. Earth work & road making..2nd Class.
3. Commercial Correspondence ~~2nd~~ 4th Class.

He also received instruction in the following subjects:-

1. Surveying and Levelling.
2. Hydraulics and Irrigation Works.
3. Building materials and construction.
4. Building, drawing and estimating.

Thus it will be seen that he has not passed the Sub-Overseer's Test, but the Tahsildar of the Taluk in which he is now working as Minor Irrigation Overseer, says that he has a good deal of experience and I therefore recommend that he may be exempted from the examination rules for the post of Sub-Overseer.

Resolution.

Submitted for the orders of Government with reference to para 6 of G.O. No. 696, Revenue, dated 7th December 1896.

2. In the circumstances reported by the Collector in para 2 of his letter read above, the Board supports his recommendation

recommendation that T.R. Rajagopala Mudali and Veerasawmi Naidu may be exempted from passing the examinations prescribed for the post of Sub-Overseer in the new scheme of Establishment sanctioned for the supervision of Minor Irrigation Works. The former is reported to have given satisfaction as an Overseer for 10 years, and the Collector considers that it would be hard to oust him now. In regard to the latter the Collector has not reported the period during which he has held the appointment of Minor Irrigation Overseer.

3. Under G.O. No. 985, dated 19th November 1890, the Board is pleased to exempt Gulam Khadir Sahib, the Collector's nominee for a Sub-Overseer's place, from the operation of the age rule.

G.O.	No.	Department.	Date.

With reference to Government Order No 743 Rev., dated 5th December 1898, sanctioning a permanent establishment of Overseers and Sub overseers for the Minor Irrigation Works, I have the honor to state that I have made all the necessary appointments except one on Rs. 30 which I propose to give to N. Lakshmayya who has been on the temporary Minor Irrigation establishment of this district for the last 5 years. He has not passed any examination but has worked well and is reported to have done excellent service during the late famine as will be seen from the endorsement of the Tahsildar and Divisional officers on his application enclosed. He has had long practical experience and is quite fit for the post. It would be hard to cut him a drift now. He is 30 years of age. As a special case therefore I recommend that he be exempted from the examination and age rules.

Submitted for the orders of Government,
with reference to para 6 of G.O.No.696,Revenue,dated 7th
December 1896.

2. In his letter read above, the Collector recommends that N. Lakshmayya may be exempted from the Examination ^{page} rules in view to his being appointed to the post of a Sub Overseer on Rs 30 in the new scheme of establishment sanctioned for the supervision of Minor Irrigation works. Lakshmayya is reported to have held the post of a Minor Irrigation Overseer for the last five years and to have given satisfaction in the discharge of his duties. The Board supports the Collector's recommendation that he may be exempted from the Examination rules.

2. N. Lakshmayya is a neat draftsman and estimator and he has pretty good knowledge of surveying and levelling. It was I that helped him in the knowledge of the latter. I have had repeated opportunities of supervising over his work and I invariably found him active, painstaking, willing to learn and punctual in his habits. He is a good accountant and is well versed in Telugu. He has some knowledge of English and he is obedient and trustworthy.

3. N. Lakshmayya has been under me for over four years as Taluk Board 2nd Clerk for about three years and as Gumastah for registering Traffic at Nayudupett for one year. He has also acted as Head Clerk of Nayudupett Taluk Board for a time. I have always found him careful in his work, intelligent and industrious. He is well versed in drawing good plans and has knowledge of survey work. He has been very useful and painstaking clerk. I believe he is also trustworthy and that he would prove himself efficient in any overseer's post at which he aspires.

4. N. Lakshmayya the 2nd Clerk Local Fund Office is a very useful subordinate. Besides doing office work he is useful in preparing estimates and superintending work. The last work I employed him in was the restoration of an ancient pond in Nayudupett. I have very good opinion of his character.

He is well up in map drawing and estimate-making and has also been employed in out-door work such as, supervising sanitary works in the villages constituted under the Nayudupett Taluk Board. Last year he surveyed the Theervajasty fields in Varathoor a Zamindary Village and assisted the then Deputy Tahsildar a good deal. He may be said to be a good surveyor.

He is anxious to join the Engineering College to be trained for the draftsman's post. He has been of immense service to me during the late distress. He is earnest, hardworking and trustworthy. I have always attempted to get him a L. F. Most Honored Sir,

Being given to understand that a new scheme of minor Irrigation Department has been sanctioned for this District, I respectfully beg to bring the few following lines for your honor's kind Consideration.

I joined the Revenue Department as Taluk Board Clerk in the Naidupett Deputy Collector's Office in the year 1887. In the year 1891 I was deputed on Special duty on the recommendation of Mr. R. Ry. J. Jagannatha Row Puntulu Garu, the then Deputy Collector of Naidupett Dn for the Survey of Theeruvajattu fields of Orathoor village in Nellore District, about which there was a reference by the Collector of Chingalput St. I executed this work to the satisfaction of my Superiors. I was also deputed on several occasions as tank maistry in different Taluks on the kind recommendations of the Head Assistant Collector & Dy. Collectors. Subsequently I was recommended by

S. W. G. I. Macdier Esquire the Head Assistant
Collector of Gadur Dn for the Minor Irrigation
Overseer's post, in which post I am continuing
for the last 4 years, discharging my duties to
the entire satisfaction of my Superiors.

I request permission to state that I have
also worked during the recent Famine in
Udayagiri Taluk as an Overseer under the
orders of E. Scot Esquire the late Collector
of this Dn and I gave satisfaction to all my
Superiors and Famine Officers: A. Y. G. Campbell
Esquire, Mr. R. Ry. J. Gopalwarri Syarwarghat and
Mr. R. Ry. K. Vasantha Row Puntulu Garu, Deputy
Collectors of Anmakur Dn as well as E. Scot

work required of the post.

I beg to enclose Copies of my testimonials
for your honor's kind perusal.

I humbly beg therefore that your honor
will be so kind as to confer on me a Sub-Overseer's
post on Rs 50; for which act of kindness I shall
ever be grateful. I beg to remain,
