All Collectors, Madras
(with Bill & statement of objects reasons.)

note

The opinion of the Hon. the Advocate General has been called for by the Legislative Council since the introduction of the Bill.

note for the Under Secretary.

With reference to the Under Secretary's query on the slip below, as to why the person who had taken the file to the Under Secretary did not wait for it, I beg to state that as copies of the G.O. could not be ready before this day, I did not instruct the person to wait for the file. As the papers were put into a very urgent post I thought I should not keep them till this morning, and therefore submitted them last night.

I now understand that it is not possible to type-write so many as 23 copies of the G.O. Orders are requested whether the G.O. may be printed at the Local Press (L. C. Press) or not. Tell Press to send proofs tomorrow morning at 10 a.m. with no fail.
