Progress Report of Jenmam Registration
work for February 1898, submitted by
the Collector of Malabar, No. 18, dated
3rd March 1898.

Resolution.

Submitted to Government in
Continuation of Board's Proceedings, No. 2052
dated 22nd March 1898.

2. The annexed abstract statement shows
the work done during the month as
compared with that in the preceeding
month. The Deputy Collector of Palghat,
disposed of 442 disputed items against
429 in the previous month. The number
of such items disposed of by the Deputy
Collector, Mallumunad was 108 against
79 in January. The numbers of undisputed
items disposed of were 3231 in Palghat
and

and 3/23 in Wallavanad against 2266 and 1843 respectively, in the previous month. The number of items disposed of on the Officer's own motion was less than in the previous month, especially in Palghat where the Deputy Collector appears to have disposed of only 933 items in February against 4249 in January. This large decrease should have been explained.
