Statement given before the
Tahsildar on 22.2.1914 by Lakha
Palli Gangadhar of Cotton pet
Dowlatabad.
I am the son of
the late Lakha Palla who has been
assessing the site belonging to
the village of Gangadhar. I am the
Cotton pet where the site was con-
structed about 20 years ago. Ever
since it has been in my occu-
pation and enjoyment and I
built a house there. About 10
years ago the house was destroyed
by fire. Unable to rebuild I
have since been living in the
house of my son in law
Gangadhar. Subsequently my son
Venkata Swami built a house
on the site above referred to
and is now living there. The village
officers said that my son had ac-
quired upon a new site and that
his assessment would be levied
for the past three years. Ac-
cordingly in fasli 1304 an
assessment of Rs 18/6 was
collected. In the second year
an assessment of Rs 24/6

 mitted to Government with reference to its

2. From para 3 of the report, it would
 appear that no prohibitory assessment has been

petition, that these signatories deny their responsibility for the petition and that orders have been issued for the assignment of 164 sq. yards of village site to one Gangadu who admittedly got up the petition although he has not signed it. In these circumstances, no further action seems to be necessary in the matter.
