SUBJECT.

Passing orders on letter from
the Collector of Mysore, regarding
instructions as to the preparation
of plans and estimates
for the repair of certain
Jemindari and private tanks.

Not

by the Public Works Department - In Board's
Proceedings No 522 dated 11th December 1894,
the Board ~~decided~~ ordered that pending the
Settlement of the question of preparation of
plans and estimates, the necessity of placing
the Tanks in a safe condition should be impressed
on the owners.

2. Notices have been issued to
these private owners but very few have
complied with the notice. It is hardly likely
that private owners will undertake the repair
of their Tanks unless action is taken under
the Railway Protection Act IV of 1886. For
this purpose, it is necessary to have estimates
prepared first. Estimates may not be
necessary in case where owners agree to
carry out repairs indicated to them.

3. The Incentive Engineer, who
was requested to arrange for the preparation
of plans and estimates in certain cases,
in which it was proposed to take action
under the act, refers me to the Government
order quoted above. I solicit views with
regard to this matter. It is hardly possible to make
any

any progress without estimates

Resolution

With reference to Para 2 of his
letter read above, the collector will be re-
ferred to Board's Proceedings, No. 636 dated
24th September 1897, a copy of which will

No. 923 dated 2nd November 1895, com-
municated with Board's Proceedings, No

-tinue to be observed.

orders on Board's Proceedings
